

Public Meeting - Alcan referred one week

Full council was present for the regular Committee of the Whole meeting Monday night, when a number of members of the Community Planning Committee were on hand for the pre-meeting question period.

Spokesman Dick Plain asked if council would like to have as information a written copy of their objectives for public planning and

co-operation with council in a number of ways such as arranging open forums for discussion between government and citizens. He was asked to leave the information with the secretary-treasurer.

Coun. de Bruijn said that council at their last meeting had arranged a "wide open" public meeting at 7:30 p.m. April 29, when all concerns

could be aired.

Mrs. M. Smith enquired about the area north of Paul Kane School, as to its zoning and probable development. Mayor Gibbon replied that it was zoned as park and there was no intention to rezone. There is a plan, he said to start development of Fountain Park, sometimes called Briedie's Mountain. Please Turn To Page 2

Councillors plan interesting moves under new business

Under new business at Monday night's meeting of council, Coun. Thordson asked about railroad signals or signs on Riel Drive and Meadowview Drive, noting that new funds have recently been made available by the federal government with special recognition of the needs of Edmonton area. Administrator Byron replied that a letter has gone in enquiring as to the degree of assistance available for signal lights etcetera.

On the matter of potholes Coun. Thordson was told by Engineer Maandag that "we have cold mix on hand for emergency temporary repairs, similar to what Edmonton is using." Coun. de

Bruijn noted that on the first bus ride Monday morning with ETS, in which he and Coun. Bakker joined, the

driver commented on the excellence of St. Albert streets as compared to Edmonton. Please Turn To Page 2

New Comptroller hard at work

Mr. Vern Rheault, formerly Sgt. Vern Rheault of the St. Albert RCMP detachment, took over his new duties as comptroller for the Town of St. Albert on March 25 and started right in on working out the systems needed to provide the records which will be required to initiate program budgeting.

Town Council followed the recommendation of the Woods Gordon Management Review study commissioned last year in creating the new position, and in adopting the budget format. The position was advertised across the province and Mr. Rheault's application was accepted.

Following a year operation. Please Turn To Page 2

Larry Cherniwech of Bells, Alberta, expertly lays his rope around the neck of a calf, while Jimmy Gladstone watches at far left background. Mr. Gladstone, three time Canadian Calf Roping Champion conducted a Calf Roping Clinic at the impressive indoor arena at Equestrian Manor during rodeo week, and was able to attract some expert assistance at various times from rodeo competitors such as Jeff Copenhauer of Longcreek, Oregon, presently fourth in world standings and Bob Rysdale from California, with second standing in the All Round Cowboy, and is president of the Rodeo Cowboys' Association. All of which made it a mighty interesting clinic for the ordinary guys attending, some as beginners to the art.

St. Albert will host school drama festival

The Zone Two East High School Drama Association is holding its 1974 Drama Festival in St. Albert on April 4, 5 and 6. School drama festivals, which are encouraged and supported throughout Alberta by the Drama Division of the Department of Culture, Youth, and Recreation, are very effective in promoting the following objectives:

To stimulate the interest and develop the skills of junior and senior high school students in the art of the theatre.

To provide the opportunity for students and teachers to see other productions and to exchange ideas.

To provide an adjudication of the participants' presentations.

To provide a real learning situation for students interested in theatre arts.

All citizens of St. Albert and District are encouraged to see as many of the various presentations as possible.

The festival has been organized by Sheila Jensen of Sir George Simpson School and Marie Saklars of St. Albert High School, with the consultative assistance of Ken Graham from the Drama Division of the Department of Culture, Youth and Recreation.

creation.

The Adjudicator for the St. Albert Festival will be Jack McCreath who is co-director for the Performing Arts Branch, Department of Culture, Youth and Recreation.

He is a well known director, actor and writer in Alberta, and has created and staged such originals as The Jasper Story and The Medicine Hat Story. Mr. McCreath. Please Turn To Page 6

Block parents program under consideration

Efforts are now underway to initiate a Block Parents Program in St. Albert. Constable Rick Maynard of the Royal Canadian Mounted Police, St. Albert Detachment, Donald Lavoy and Mrs. Kay Romertli, are in the process of formulating the program.

The program consists of several homes in each block displaying a Block Parent sign. This signifies to a child that protection and responsible assistance is available in an emergency. The sign is available at that home when the sign is displayed. The main purpose of the Block Parent program is to discourage troublemakers. It will establish a formal network of citizens aid to our young ones and for the reporting of emergency problems to the police. No police force can effectively protect your life and property without citizen support.

Child molesting and related offences are NOT a major problem in St. Albert as they have become in other communities. It is hoped that this program, manned by responsible, mature parents, using as their only skills their experience in life and common sense, will act as an ounce of prevention.

It is the hope of the organizers to keep the citizens of St. Albert informed on the progress and plans of the Block Parent program from time to time through the facilities of the Gazette and the schools throughout the area.

Alberta Liquor Board pickets like those in St. Albert Tuesday morning are open to suspension according to Mr. Isakson, personnel manager and chief negotiator for the Board. Under the collective agreement just going into its second year, all staff received a six per cent cost of living increase, and recently were granted a \$25 per month raise retroactive to January 1, 1974, for a total of 10 per cent over the next six months. The employees now want the second year of the contract re-opened, but the contract is binding, said Mr. Isakson. The local pickets said they wanted someone with more authority to get involved in negotiations and walked out of a meeting a week ago Tuesday. It is not known how long the store in St. Albert will be closed.

Alcan referred

Continued From Page 1

When asked if it was town owned, the mayor said yes and Coun. de Bruijn commented that the school board had designs on it. Coun. Lukay noted that by agreement with Alcan, the firm had responsibility to take the park development so far.

Mr. Breadner, noting that item 2a, headed "Downtown Development" was to be 'In Camera,' asked "Is there anything more you can tell us. Not unless council decides not to go In Camera at 9:05 said the mayor. The item was later handled in closed session - "because of the nature of the business to be conducted" said Coun. Bakker.

Mr. N. McKay, Alcan representative, was present for his appointment and said that the committee appointed by council to negotiate a settlement and try to compromise the situation has not been able to reach agreement with myself as Alcan representative. "Now we want a yes or no on the by-

law - we are \$50,000 apart. He said also that the last proposal made by the council committee would put the firm back in the business of developing lots and putting them up for sale, and "Alcan's intentions are not such." These discussions have gone back and forth - back and forth and many compromises have been arranged, starting in early 1973. The area was supposed to be high density development, with a reserve strip along the river, he said, and my client opposes single family development of 41 lots. My client has obligations to its shareholders."

One aspect is price, said Coun. Bakker, and the other is you do not want to go back into development." Yes, replied Mr. McKay. The land would partially go to park reserve, from there 23 lots would be sub-divided serviced and put on the market for the best possible price. If a figure comes up which is less than the original we would not accept,

and we would not agree to service and develop the lots. In May 1969 the land was zoned High Density on the outline plan at that time, concluded Mr. McKay.

Coun. Lukay noted that 'an outline plan has no legal status whatever - an important point in this matter.'

Coun. Bakker's motion to bring back the bylaw to the April 8th meeting, with reports that may be needed, carried 7-0.

Councillors plan

Continued From Page 1

mon'ton's. Mayor Gibbon moved a recommendation to council that a letter be sent to the Premier, requesting an audience to discuss the ring road, loss of municipal government autonomy and other items relating, and that St. Albert be set up as a separate urban seat for the next election. There was some discussion on possible moving of the ring road and the mayor reported that Mr. Giffen of the Edmonton Regional Planning Commission was also very interested. Coun. de Bruijn noted that the Minister of the Environment had indicated last week a possible elimination of the interchange re. land owned by the province, and thought it ought to go in St. Albert.

Coun. Bakker felt the mayor's recommendation should be circulated and put on the agenda as a separate item as a notice of motion. The mayor pointed out that couldn't be done in a Committee meeting and Coun. Bakker said considerable thought should be given the matter.

Coun. Fyfe thought some type of information sheet, similar to the transportation sheet should be prepared to give a history of the matter of industrial zoning matter. Council has acted in good faith she said and we should tell the citizens the thinking of council and the what type of industry is allowed under light industrial zoning. The information sheet she thought should also have a section giving the dollar and cent figures on the amount of tax revenue which could accrue and a comment on the lack of land - this is it, she noted. She felt also that the information should go

New Comptroller

Continued From Page 1

ing his own office equipment and stationery retail business in Swift Current, Saskatchewan, Mr. Rheault re-engaged in the RCMP and was posted to Ottawa. Shortly afterwards he was moved into the former Pay and Accounts office, and then into the Financial Policy section, which is the estimates and financial branch for the force across Canada.

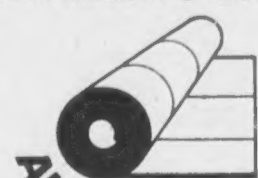

In this section he began work on budget control. He enrolled in accounting, economics and general commerce night courses at university. On his own Mr. Rheault also enrolled in the Registered Industrial Accountants Association and took the course offered by the association.

Training also included numerous courses in accounting through the RCMP and Public Service of Canada. In the 1965-67 period, when the federal government was going into program budgeting, and the RCMP, Mr. Rheault was seconded to the Treasury Branch to work with them. Following this period he was made an operational auditor to do management audits across Canada, in the fall of 1968. In 1970 he was appointed one of four Management Analysts with the RCMP and from his base in Ottawa worked across Canada in this field.

Sgt. Rheault was posted to St. Albert in July of 1972 as second in charge. He left the force on March 24 and started with the Town March

25. I made the change when the opportunity arose, said Mr. Rheault, because "I fell in love with St. Albert" and felt it was time to stop the nomadic life. In addition he thoroughly enjoys the comptroller work. Mr. Rheault and his wife Lavonne, son, Lance, 14 and daughter Judith, 12, are all happy with the change which means they can settle down here.

Public Notice

MOSQUITO CONTROL

The Town of St. Albert proposes to effect a mosquito control program in 1974 covering portions of the Town of St. Albert and the M.D. of Sturgeon within the boundaries shown on the map. This is an expanded program made possible by Provincial grants.

The amounts and kinds of chemicals to be applied will not be toxic to livestock, birds or fish. Most of the application outside of the built-up section will be done by helicopter. The Town will be responsible for ground surveying to determine mosquito breeding sites, and will seek permission to enter private lands for purposes of mapping and treating.

Farmers not wishing to have mosquito control on their lands should so state in writing not later than April 15, 1974. Please supply legal description as well as mailing address of property referred to. Letters should be addressed to: TOWN OF ST. ALBERT, PARKS & RECREATION - MOSQUITO CONTROL, CIVIC CENTRE, CHURCHILL AND GRANDIN, T8N - 0G2

Flea Market goes April 10 at Vital Grandin School

The Annual Flea Market has been a highly successful project at Vital Grandin School, giving students, staff, parents and local residents an opportunity to co-operate on a project for Share Lent. Visitors last year look over the wide variety of household items at one of the tables. The school is presently collecting suitable items for this year's market.

THANK YOU

Thank you to all our sponsors - Pat's Slim Wrap, Natural Look, Kaleidoscope, Coffure de Liz, Bick's Pickles, Christie Biscuits, Grandin Beauty Parlor, Andres Wines and Sturgeon Meats for the Shamrock Fest.

Sturgeon General Hospital Auxiliary.

THANK YOU

Many thanks to all my friends and relatives, the wonderful girls in the Bruin Inn Coffee Shop, the very fine people I work with and the Board of Directors of the St. Albert Community League. I am sure it was the combined good wishes of all that helped me overcome my recent illness.

Bless You and Thank You All,
Wally Steppke.

The natural gas Payment Equalization Plan.

Think of it as a savings account.

You know how a savings account works, you save up in order to cover later expenses. Well, that's just how our Payment Equalization Plan works. When you sign up with us for Payment Equalization we estimate your annual natural gas consumption and divide the cost by twelve. Then we bill you an equal amount every month. This way, you build up a reserve in the summer to take care of the higher costs of winter heating. During the year we keep track of your actual consumption and adjust any difference every twelve months.

P.E.P. has another advantage too; every month when you work out your budget you know that at least one bill will be the same every time... our bill, the one for the lowest natural gas rates in Canada. Payment Equalization, think of it as your natural gas layaway plan.

Helping you look after
your natural gas budget.

Help Needed Cancer Blitz

St. Albert will support the April campaign of the Canadian Crusade for Cancer with a one night blitz scheduled for Monday, April 22.

Anne Marie Venne, convenor, is lacking sufficient canvassers in the Forest Lawn and Lacombe Park areas and would greatly appreciate the help of any people in those areas for the blitz. Anyone able to assist should telephone Mrs. Venne at 459-7962.

RUMOUR SQUELCHED

There is no truth whatever to the rumour that the recent meeting of the Edson-Fulham Rural Electric Association was "streaked" by members of the Peers Ladies Handicraft Society, as far as we know.

--We enjoyed this thought-provoking item in the March 20th issue of the Edson Leader.

On Wednesday, April 10 from 6 p.m. to 8:30 p.m., Vital Grandin School will hold its fourth annual "Flea Market." The purpose behind this undertaking is to raise money for the Share Lent 1974, whose theme is Our World Broken by Unshared Bread.

In its first three years, the "Flea Market" through the co-operation of many students, teachers, parents and countless citizens, has been able to contribute around \$1,000, per year to Share Lent.

We are making an open appeal to anyone who wishes to make a contribution towards the success of the "Flea Market." If you have any appliances, toys, bicycles, clothing, dishes, jewelry etc., that you no longer have any use for, you may deliver them to the school at 39 Sunset Boulevard or have them picked up by phoning 459-7418. We are also in great need of baking items for this evening.

We hope that you can make it on April 10. There will be games of all kinds for the kids and adults. A small concession will also be run.

Letters to the editor

Bus passes for Seniors?

The Editor:

Now that we will have the Edmonton Bus Service in St. Albert, I think it would be only fair for the St. Albert Senior Citizens to have the privilege of having a Bus Pass, so that they could go on the bus in St. Albert, from St. Albert to Edmonton and in Edmonton to do their shopping, see a doctor or any other needs.

The Senior Citizens in St. Albert have worked hard in their lifetime, which in turn have contributed to the Town and Community of St. Albert. So it would be only fair, that the Senior Citizens of

St. Albert have the same privilege as the Senior Citizens of Edmonton have,

Wasy Mielnik,
Braeside.

Enjoys local show

The Editor:

Thanks to one of my parishioners I was able to be a part of a great work being done by many people here in St. Albert. I am speaking of "The Ice Carnival" that our young people put on Sunday afternoon. It was exceptionally well done... from the way in which they were dressed,

to each individual act... and we have some up-and-coming stars that we should be thankful for and proud of. We need such family orientated adventures! Thanks for this Sunday afternoon's treat!

Rev. R. O. Olson,

Local man to mark 25 years with CP

A St. Albert resident, E. E. (Bike) Belsiegel, this year marks his 25th anniversary with Calgary Power.

Mr. Belsiegel joined the company at Coaldale in March of 1949. He has been district manager of Calgary Power's St. Albert office since 1970.

From 1949 to 1954, Mr. Belsiegel worked in southern Alberta on crews and district serving Coaldale, Lethbridge and Taber. He became assistant manager for the Cardston sub-district in 1953.

Transferred to Rimbey in 1954, he became district manager for Calgary Power's office in that community.

While at Rimbey, Mr. Belsiegel was president of the local Royal Canadian Legion, president of the Rimbey Cur-

ELMER (BIKE) BEISIEGEL

ling Club, past master of the Rimbey Masole Lodge, president of the Rimbey Barbershoppers (a branch of the Society for Preservation of Barber Shop Quartet Singing of America) and was a director of the Rimbey Lions Club.

He also served the community as Rimbey town councillor.

Through his Legion affiliation, Mr. Belsiegel took an active part in transporting district youngsters throughout Alberta for Minor Hockey programs.

As district manager at St. Albert, he is responsible for a staff of 10 persons in the local office.

An ardent curler, Mr. Belsiegel was invited to participate in the Johnny Walker International Highland Curling tournament at Aviemore, Scotland, in 1973. His rink, one of two Canadian teams

in the event, placed third in over-all competition.

Mr. Belsiegel has four children; two at Edmonton, one at Lethbridge and one at St. Albert.

Calgary Power's annual

25-Year Club dinner-dance will be held at Calgary this fall, during which Mr. Belsiegel will receive an inscribed watch and be inducted into the company's Quarter Century Club.

Around Town

Playing in the North American Bridge Championship tournament held in Vancouver, Neil Sutherland of 138 Mission Avenue was a member of a team which finished in a tie for second overall in the western states national championship Swiss team of Four Second Flight. Team mates were Veryl Norquist, Calgary, S. Wiswanathan and Wayne Fedynak, Edmonton.

The 10 day tournament attracted more than 3,000 players from throughout North America, and is among three major championship events held each year by the American Contract Bridge League.

The Kismen will be staging their 10th annual rodeo on June 15 and 16 this year, and are presently urging local firms and organizations to start planning floats for the big parade, a highlight of the celebrations.

Parade Chairman Dave Campbell is hoping that new businesses or groups will take interest in the parade also. Entry forms or information is available by telephoning - 424-2221 9 a.m. to 4 p.m. or 459-6902 from 5 until 11 p.m. The Kismen would like entries in by April 12. The parade will go Saturday, June 15 at 10 a.m., and Rodeo 113 will celebrate the 113th birthday of the Town of St. Albert. Would any residents who find it necessary to say

the word "rain," please whisper it from now until June 17th!

Gerry Billingsley was recently honored at a wine and cheese party. Gerry retired from the Board of Directors of the Help Society after many years of service. The members of the Board presented her with a matched set of brass vases.

Mrs. Odinga and Mrs. Lastwika are spearheading the Daffodil Day campaign this year. Daffodil Day is sponsored by the Cancer Society. Campaign volunteers will be on the Grandin Mall, in Safeway and on Perron Street this coming Saturday, April 6. Volunteers are still needed for Saturday and if you can spare an hour or two, please phone 459-6266 or 459-7573.

Two ladies were discussing what they would wear to the country club dance.

"We're supposed to wear something to match our husband's hair," said Mrs. Jones. "So I'll have to wear black. What will you wear?" "Goodness!" gasped her neighbor, "I don't think I'll go!"

Board against early childhood proposal

The St. Albert Protestant Separate School District No. 6 meeting on Wednesday evening, March 28, included a presentation by the Assistant Superintendent, Mrs. Muriel Martin, on Early Childhood Education.

The proposed program would be developed for children in the 4 1/2 to 5 1/2 age group and emphasis would be on reflecting the natural interest and curiosity of the young. It would not be "early schooling" or a pre-grade program in the academic sense.

Mrs. Martin felt that an Early Childhood Program as an intricate part of the school system offered several advantages. Continuity of educational programs; shared responsibility for education between parents and the District, and, cross-over of children between programs, would all be resulting benefits. A District operated program would provide a model and thereby the means of assistance in a broader sense to the community or pri-

vately run agencies who often call upon District personnel for directives. Shortage of space is a problem at this time and if space within a school building is not available Mrs. Martin requested the Board to consider the use of a portable unit located on school grounds.

Mr. W. Webber expressed concern that a District-sponsored program would mean a decline of parental involvement in kindergartens.

Mr. Jim Wiltshire moved that the Board accept the recommendation but the motion was lost.

The Report on the Implementation of a Band Program in Junior High Schools was considered and approved by the Board. Schools Involved in the program are Lorne Atkins and Sir George Simpson Junior High. Activities in this area would take place on a daily basis and part of the time of an extra teacher would be necessary to run the program.

Vandalism in schools con-

tinues to be a problem and the Board was perturbed at its continuation. A recent letter from the insurers which contained a warning of increased insurance rates was considered and the Board discussed various ways with which vandalism can be combated.

In connection with the proposed new Community Core School for Lacombe Park, a date, place and time was set for a public meeting to be held to familiarize the public with the problems facing the Board in its acquisition of this new school. Parents are strongly urged to attend this meeting which will be held at 7:30 p.m. on Wednesday, April 3 at St. Albert High School.

Public meeting tonight on new core school

The Board of St. Albert Protestant School District is holding a public meeting tonight for parents and interested residents in Mission Park and Lacombe Park subdivisions on plans for the new community core school in the area.

The meeting is called for 7:30 p.m. and will be held in St. Albert High School, which is central in the area.

The meeting will give parents an opportunity to examine the sketch plans of the Community Core School

which will be built at Langley Avenue and Leon Place, and to offer opinions and suggestions to the Trustees regarding the following matters:

The concept of the Community Core School;

The Early Childhood Education Program - should it be (a) a Board operated program, (b) a program contracted by the Board to an outside agency, or (c) a program operated by an outside agency?

The feasibility of a lunch

room-kitchen facility - Department conditions governing the use of the lunchroom kitchen facility will be reviewed. Opinions regarding a school lunch program will be heard, and ways and means of providing a school lunch service, and the problems involved, will be discussed, as well as the Joint Use aspects of the Lunch Room-Kitchen facility.

The trustees, district administrators, and possibly the architect will be present at this meeting.

Theatre group rehearsing comedy

The local little theatre group the St. Albert-on-

Sturgeon Players, are presently into rehearsals with their next production a light, romantic comedy to be presented locally in early May. The play, *Thieves Carnival* by Jean Anouilh is a four act comic romance which involves the escapades of three thieves in the wealthy society of a French resort in the 1930's.

Thieves Carnival is being directed by Mike Romanov, a newcomer to the group but not to St. Albert. Mike has had extensive theatre experience in the Eastern States, and is happy to be involved in a local produc-

tion at last.

The large cast includes David Scammell, Peter McCaffery and Don Mills as the three incorrigible thieves; Marcia Scammell and Derek Webster as the wealthy objects of the thieves' attention; Margaret Hicks and Gerry Petersen as the romantic - but strong-willed, foils for the thieves misdeeds; and Peter Wilcock and Kim MacMillan as the obsequious local playboys who find themselves competing with the dashing thieves. The result is pure fun.

Lights, costumes, music and endless disguises, all contribute to the mirth of the play. And to bring it off

In May the group would welcome any volunteers able to help in the production aspects. People interested in working on costumes, props music, backstage, should call - Susan Waidie at 459-6589 and indicate their interest in what promises to be a delightful Spring treat!

"Just what good have you done for humanity?" asked the judge before passing sentence on the pickpocket. "Well," replied the confirmed criminal thoughtfully "I've kept three or four detectives working regularly."

STARTS Tomorrow! A STAR STUDDED TRIPLE BILLING...!

May, 1909. Seven men held little Jacob McCandles for a \$1 million ransom. They weren't afraid of the army. They weren't afraid of the Texas Rangers. And they thought his grandfather, Big Jake McCandles, was dead. Not hardly!

Continued From Page 1

Creath has also directed many musicals and plays in the Edmonton area including A Man for All Seasons, Cabaret and Hadrian VII.

Tickets may be purchased at Simpson School and St. Albert High School, and will also be available at the door. Twenty per cent of the money earned from ticket sales will be retained by Sir George Simpson School and St. Albert High School, the remainder will be used to help meet Festival expenses. Adult tickets are \$1 and students 50¢ and one ticket covers all performances. The public would undoubtedly enjoy seeing some of the Festival and audience support will contribute to the learning experience of the young actors.

The presentation schedule for the Drama Festival is as follows:

Productions - The junior high festival section will be staged at Sir George Simpson School as follows:

Thursday, April 4 - 7:30 p.m. "The Hobbit" - Sir George Simpson School - St. Albert Separate School District - Director: S. Jensen. "Graduation Forecast" - Bon Accord School, Sturgeon School Division - Director: H. Campbell.

Friday, April 5 - 3 p.m. "Troubles of an Editor" - Waskatenau School, County of Smoky Lake - Director: M. Cymbaluk. "The Booth" - H. A. Kostash School, County of Smoky Lake - Director: P. Palechuk. "The Laughing Ghost" - E. G. Wahlstrom School, High Prairie School Division, Slave Lake - Director: L. Duxbury.

Friday, April 5 - 7:30 p.m. "The Summer of Sar-

iel" - Edwin Parr School, County of Athabasca - Director: C. Parker. "The Intruder" - Grassland School, County of Athabasca - Director: E. Caraher. "Take a Letter" - Dr. Swift School, Lac La Biche School Division - Director: E. Shaw. Presentations - The High School Drama Section will be held in the Gymnasium of St. Albert High School as follows:

Saturday, April 6 - 10 a.m. "The Happy Journey" - Paul Kane High School, St. Albert Separate School District - Director: D. Geddes. "Mandala Revised" - Grassland School, County of Athabasca - Director: E. Caraher.

Saturday, April 6 - 2 p.m. "The Flounder Complex" - Bonnyville Centralized High School - Director: B. Millar. "The Call" - Bonnyville Centralized High School - Director: B. Millar.

Saturday, April 6 - 7:30 p.m. "Once Upon a Playground" - St. Albert High School, St. Albert Public School District - Director: M. Szklarz. "Heat Lightning" - Bonnyville Centralized High School - Director: B. Millar. "27 Wagons Full of Cotton" - Edwin Parr School, County of Athabasca - Director: C. Parker.

Big Sisters help younger girls

Edmonton "Big Sisters" is an organization designed to help girls aged 8 to 18 who are referred to us for a variety of reasons including family, social and personal problems. Our main objective is to foster a one to one relationship between these young girls and women

A well attended public meeting of the St. Albert Community Planning Committee took place on Thursday evening, March 21 at Leo Nickerson School. A new slate of officers was elected - President, Dick Plain; Vice-President, Margaret Smith; Sec. Treasurer Bill Marsham; Directors - Barry Breadner, Geoff Peters and Joanne Gannon.

Two guest speakers, Mr. Wayne Gordon, town planning officer and Mr. Gary Brownlee, town development officer, were given a good hearing, and an active question period followed.

Dick Plain outlined the present interests and concerns of the committee. After a lively discussion on the proposed Syncrude industrial development, the executive were authorized

to go ahead with a petition to the Hon. Bill Yurko, Minister of the Environment, and to investigate the possibility of an injunction to restrain industrial development on the site in question. Most of those present offered to help collect signatures for the petition.

A subsequent meeting of the executive set up five sub-committees to look into areas of interest: general planning, services and util-

ities, parks and recreation, transportation and roads, and economic affairs.

Within the next week a Questionnaire will be circulated amongst members and interested supporters to solicit their help with the above sub-committees and any other areas of interest. Anyone wishing to help or obtain further information, may contact Geoff Peters, membership secretary at 459-7186.

Planning committee elects executive

remarkable project

What surely will rank as one of the great undertakings in the movement of buildings takes place next year when a historically valuable, late Gothic church in the Czechoslovak village of Most, 55 miles northwest of Prague, is moved a half-mile to a new site.

The transfer of the 200 feet long by 100 feet wide church will take it out of the reach of coal mining operations which now threaten it.

The move will involve a delicate operation along four tracks at a speed of about an inch a minute. Even assuming a continuous day and night operation - that is, no stops of any kind, an impossibility - it would take more than 22 days to transfer the building the half-mile.

The weight of the structure to be moved - 10,000 tons - is the stripped-down building. Valuable pieces of art from the interior, the 230-foot high steeple, the staircase and crypts have all been removed and will be transported separately.

Other work in preparation for the move - the laying of transport tracks and the preparation of foundations at the new site - is now going on.

SLAM Ticket Buyers

A number of tickets have disappeared from the SLAM project centre of the Roman Catholic Parish. They are sponsor tickets for Share Lent, March and April, to be held on Good Friday. If you have any of the following sponsor tickets, please telephone 458-0627 or 459-6666. Sponsor Ticket numbers 171 - 195, 211 - 215, 226 - 230 OR 236 to 445.

Threw away smokes after seeing lungs

After a look at a set of lungs showing emphysema, one visitor to the drug display on Grandin Mall last Saturday tossed his cigarettes into a garbage container on the spot - "That's it!" he said.

Many people thought the lungs were of some artificial material and were surprised to learn they were seeing the real thing, commented Jean Roberts a member of the St. Albert Chapter of the Alberta Association of Registered Nurses, which put on the display.

Volunteer nurses, with the assistance of Jo Bordman of the Alcohol and Drug Abuse Commission, answered questions and described the displays for visitors. They felt that young couples with small children were very

conscious of the dangers of drugs in the home and careful about quantities and safe storage. It appeared that people in their forties have more drugs in their cupboards.

Scott Schroeder, a grade 8 student at Sir George Simpson School, was the winner of the student's poster contest held in conjunction with the display, and received a

If you are thinking of selling or buying do not hesitate to call Peter at the office - 424-7126 or residence - 423-1850.

Library closing Sundays until fall

The experiment of opening the St. Albert Public Library will end this Sunday, April 7 but will be resumed in the Fall again due to popularity of the move. Since January 6 the library has

been open Sunday afternoons from 12 to 4 p.m. in order to provide a better opportunity for local residents to use the library. Each Sunday afternoon (depending on the weather) brought many new library users as well as many students and leisure readers. Obviously a large number of local residents appreciate this change in hours. Now that the warmer weather is imminent the Sunday openings will cease and regular hours will continue: Monday to Friday - 10 a.m. to 9 p.m., Saturday - 10 a.m. to 5 p.m.

The library's winter programs will end next week, and resume after the Easter break. The Monday and Wednesday Pre-school Story

Hours will end on April 8 and 10 respectively and the occasion will be celebrated with a special party. The Bilingual Pre-school Story Hour will end April 11 and resume in May.

Membership in the library is free and newcomers are encouraged to join.

Barons meet Hat in Provincial opener

St. Albert Sportshop Barons meet Medicine Hat Friday in the opening round of the midget "B" provincial playoff.

The Barons, undefeated in six Northwestern Alberta zone games in March, are scheduled to go against the southwest winners 6:30 p.m. in the Medicine Hat Arena convention centre.

Camrose and Taber tangle in a 4 p.m. match and Fairview and Fort Saskatchewan -- the remaining two zone winners -- meet at 9 p.m.

An opening round win for St. Albert would pit them against the Camrose-Taber winner at 8 a.m. Saturday, while a loss in the opening match would mean playing the Camrose-Taber loser at 10:30 a.m.

All teams are permitted an opening round loss in the modified double knockout tournament, but from there on must register wins to clinch the league championship.

The provincial final will be played 1:30 p.m. Sunday.

The Barons lost two exhibition games in contests leading up to the provincials -- 7-6 to Wetaskiwin Kings last Tuesday, and 4-2 to MacGregor Telephones Sunday.

In the opening round of the Fort Saskatchewan hockey tournament, the Barons spotted Wetaskiwin a 5-0 lead by the midway mark of the first period.

With a second remaining in the opening period Chris Hoffart scored on a two-on-one and then goals by Gary Ferguson and Doug Cinnamon midway through the per-

iod narrowed the count to 5-3.

Wetaskiwin grabbed a three goal margin when they scored on a screen shot from the point with four minutes in the second, but hard work by leftwinger Steve Foreman, as he outraced a Wetaskiwin defenceman to a corner shot, paid off with Ferguson collecting his second counter.

Foreman outmuscled his check and fired a pass onto Ferguson's stick in front of the Wetaskiwin net, and Ferguson picked the lower right hand corner.

Foreman collected his first goal of the game with two minutes gone in the third, scoring on a scramble, and then with just over two minutes remaining in the game, he picked his second on a low drive to tie the score 6-6. Wetaskiwin however stor-

med right back down the ice and with just over a minute remaining got the winner on a 25-foot drive high into the net.

Sunday Gary Ferguson opened scoring midway through the second period to give the Barons a 1-0 lead over MacGregor, but 30 seconds later the score was tied when a MacGregor defenceman beat goaltender Keith Logan on a screen shot.

Chris Hoffart gave St. Albert a 2-1 lead five minutes later, also scoring on a screen shot, but MacGregor tied it up with three minutes remaining on a scramble.

MacGregor's defence scored what proved to be the winner early in the third on a screen shot, and a break-away pass late in the game counted for the insurance marker.

Little League Baseball Registration

Parents of Little League Baseball players are to be reminded that registration will again take place this Saturday at Robert Rundle School (located west of Sir George Simpson School on Grosvenor Blvd.) from 9 a.m. to 12 noon. Players from 8 to 17 are allowed to play in the program sponsored by the St. Albert Lions and Knights of Columbus clubs.

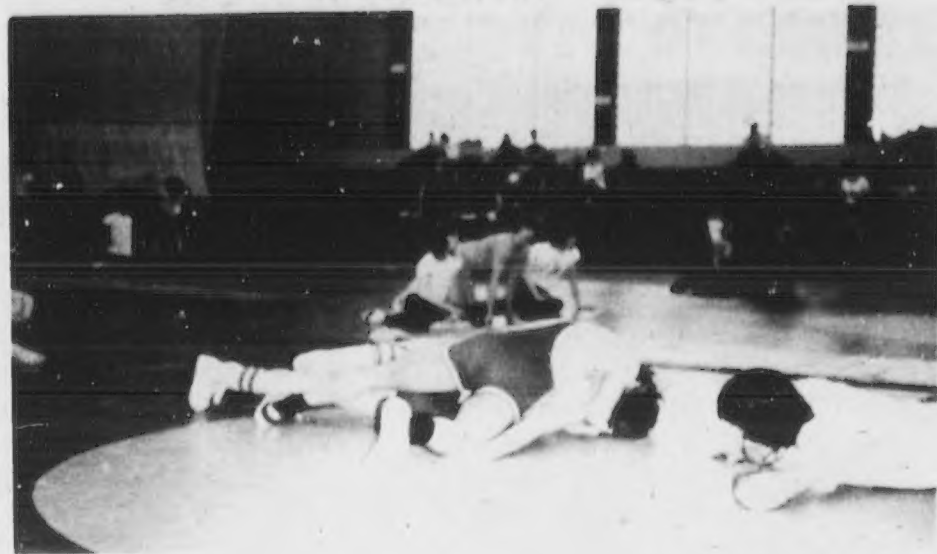

For those who cannot register this weekend the recreation department at Town Hall will take registrations until April 11, 1974. That will be the final date as rosters of teams have to be made up.

There are still a few openings for coaches, assistants and umpires to make this program worthwhile. Please contact Gerry Samagalski at 459-5247 if you are willing to help.

Registration forms are available at the Sportshop.

NURSERY SCHOOL

If you are interested in placing your child, (age three and one-half to four and one-half) in nursery school this fall, contact Mrs. Hunter at 459-8352 after 1 p.m.

Neil Rae, in top position in photo was a senior division winner in the Junior Olympic Wrestling Trials for Northern Alberta and qualified for the provincials in Lethbridge. Jim Letts placed second. The trials were held at NAIT March 23 and coach Dave Thomas took in a group from Sir George Simpson School and three from Leo Nickerson. The trials are sponsored by the Canadian Wrestling Association and Mr. Thomas coached all the boys but Neil. Other Simpson entrants were Baird Neilsen, Demeer Dupin, Greg McGonagle, Allan Taylor, Brian Surhoff, David Adlard, Paul Tugo, Boyd Dymchuk, Tod Lysenko, Jim Bourassa, Richard Pearson and Steven Morlat. Leo Nickerson boys were Jim Letts, Robin Ryder and Andy Bollee.

Lacrosse season looks promising

What do you do for an encore when three of four rookie teams finish in the finals. That's the situation the St. Albert Lacrosse Association finds itself in as it approaches the 1974 season. Last year St. Albert boys were finalists in the novice, peewee and intermediate categories.

The success of last season indicates heavy registration this year and increased parent participation will be needed. The association is particularly interested in boys and girls, ages 6 to 10 (novice) as this is where the foundation for future years must be laid. It is hoped to have sufficient registration to field two novice teams - boys and girls ages 6 to 10; three peewee teams (ages 10 to 11); two bantam teams (ages 12 to 14) and one intermediate team.

Lacrosse has traditionally been spoken of as a "real rough game." It is interest-

ing to note that the most serious injuries incurred during the 1973 season were a few scraped knees and several bruises. Few sports can boast such an injury free record and yet provide for such excellent conditioning.

Interested children and parents are invited to learn more about "the fastest game on two feet," by attending a general meeting at Vital Grandin Gym on April

10 at 7 p.m. A film on lacrosse will be shown. Parents and children will be shown how to economically convert their hockey equipment for use in lacrosse.

Registration for boys and girls in all ages will be accepted at that time. Final registration date is April 20.

So hang up the blades and stick but don't put away the equipment... It'll be needed for "Canada's Game."

Senior Baseball

Players wishing to play senior baseball this season in St. Albert are asked to contact - Hank Reinbold at 459-3731 after 6 p.m.

The St. Albert Saints are members of the Sunburst Baseball League which will play some of their games at Renfrew Park in Edmonton.

Other league entrees are Leduc, Fort Saskatchewan,

Camrose, Blue Willow, Weiller and William Colts, City Police and Burns Shamrocks.

Lancers dominate Pee Wee league final statistics

St. Albert Lancers dominated the pee wee division of the Northern Alberta Minor Hockey League as indicated by the release of final league statistics this week. The Lancers were undefeated in 15 league games finishing 10 points ahead of Fort Saskatchewan. Bernie Joyal led all scorers with 35 points on 18 goals and 17 assists. Teammates, Pat Poulin and Troy Murray held down fourth and fifth spot. Greg Rumohr of the Fort scored the most goals with 24 while Joyal had the most assists. Todd Murray of the Lancers was the least scored

upon goalie in the league. In the penalty column Mike Tascherau of the Lancers led with 44 minutes, 10 ahead of Greg Normand of the Fort.

A league meeting will be held at the Westlock Junior High School Thursday, April 18 at 8 p.m. to discuss next year's program.

Chiefs lose to Fort in tournament

St. Albert Fire Chiefs lost 7-4 to Fort Saskatchewan Flyers in the A division final of the First Annual Fort Saskatchewan Bantam Hockey Tournament at the weekend.

Chiefs had won their way into the final on the strength of a 9-2 win over Vegreville Friday and a 5-4 win over Leduc Blades Sunday morning.

They just didn't have the staying power in the Sunday night final. Fort Saskatchewan took a 2-0 lead in the first period, Chiefs tied it in the second but then penalties took their toll and when the period was over, Chiefs were down 5-2.

Fort Saskatchewan got the opening two goals of the third and Chiefs were a long ways back. They rallied for two goals, but time was against them.

Larry Sander, with two goals, Gilbert Longpre and Jimmy Scheibelhofer scored the St. Albert goals.

Chiefs spotted Leduc a 2-0 lead, but got five of the next six to take control. Leduc got their fourth goal with less than a minute remaining in the game.

Dave Shipanoff, with two goals, Larry Sander, Scheibelhofer and Greg Brandenburg scored for Chiefs.

Against Vegreville, it was 1-1 after the first period but 5-2 after the second. Graham Brown had three goals and Colin Wear two for St. Albert. Single tallies went to Ronnie Sander, Larry Sander, Longpre and Shipanoff. Chiefs also won an exhibition game at the weekend,

topping the Saints from the local midget house league 7-5. Larry Sander had two goals for Chiefs with singles going to Brown, Blake Millroy, Brandenburg, Wear and Ronnie Sander.

Lorie Loshak had three goals for Saints, Barry Kane and Robbie Dent got the others.

Ronnie Sander wins bantam scoring title

Ronnie Sander won the scoring championship in the bantam division of the Northern Alberta Minor Hockey League this season, with 20 goals and 18 assists.

He finished one point in front of D. Koberstein of Barrhead, who had 18 goals and 19 assists.

Sander's 20 goals were also a league high. He has 50 goals and 43 assists for the season, taking in exhibition and provincial playoff games.

Other top scorers according to the league statistician: Rich Neuman of Barrhead,

18 goals and 16 assists for

34 points; Richard Provençal of Westlock with 17 goals and 15 assists for 32 points; Graham Brown of St. Albert with 11 goals and 16 assists for 27 points and Larry Sander of St. Albert with 10 goals and 17 assists for 27 points.

Mitchell St. Louis of Westlock led the league in penalty minutes with 121. Kerry Collette of Westlock had 70 and his team-mate Ryan Hobart had 60 as Westlock was by far the most-penalized team in the league.

Brown of St. Albert had 51 minutes and Don McNallie of Westlock.

Juveniles even series in Stony

St. Albert Juveniles hockey club scored a close 4-2 win last Tuesday in Stony Plain to even their best of five finals at one game apiece. Stony won the opener upsetting the St. Albert squad by a 8-5 score.

In St. Albert's win, Lyle Waddell scored a power play goal early in the opening period to give Stony a 1-0 lead. Don Keith was sitting on a tripping infraction. Matt Lister scored the

only goal of the second period as he banged in a pass from Terry Keiser to tie the score.

In the final period St. Albert took control and outscored Stony 3-1 and a final 4-2 win. Roger Meunier scored all third period goals with Lister assisting on all three. Gerald Glubish tallied the only Stony goal. Kris Nickerson was a standout in the St. Albert goal.

The third game was scheduled to go Friday night but

was postponed due to lack of communication. St. Albert were told to play Friday and Stony were advised it was Saturday.

Midget tournament

The six team "Big Iron" midget house league tournament is all set to go this weekend in the St. Albert and District Arena. The double knockout affair will get underway Saturday morning at 6 a.m. with the Gazette Grizzlys and the Red Onion Rebels leading things off.

Following this game there will be a semi-final game in the RCMP tournament starting at 8 a.m. At 11 a.m. the Hiawathas and the Orphans will tangle while at 1 p.m. the Saints and Broncos play.

Following each game will be a three star selection committee with the winners awarded trophies. A hockey showdown as seen on Hockey Night in Canada Saturday nights on TV will also go after each game with the eventual winner getting a hockey scholarship to one of the hockey schools.

Tiger Goldstick from CF-RN and Bob Arnold from CJ-CA will be on hand to look after the commentary throughout the two days. Other businessmen putting up trophies are as follows - Pacific 66 - Best Forward; Rogers Esso - Best Defenceman; Mohawk Service - Best Goalie; Texaco - Top Scorer; Tundra Transport - Best Referee; Grandin Es-

so - Best Goals against Average; Buxton Real Estate - Special Mothers Award; Weller Electric and League Coaches -- Tournament Champs.

Tickets are available at the Sportshop or from any of the midget coaches or at the door. Prices are 50 cents per game or \$1 for the complete series. Programs will be available showing all players as well as a lucky number for various prizes. A tremendous amount of volunteer work has gone into putting this top notch event on and its now up to parents and fans to make it all worthwhile. Lets all get out and support a good cause.

ALBERTA ~ RCMP CENTURY CELEBRATIONS WESTERN CANADA R.C.M.P. TOURNAMENT APRIL 4, 5, 6,

The Alberta-RCMP Century Celebrations Championship Hockey Tournament featuring the top RCMP hockey teams in Western Canada will be played in Edmonton district arenas, April 4, 5 and 6.

The tournament, a part of the Provincial Government's Alberta-RCMP Century Celebrations program, will involve members of the RCMP from the five western divisions originally identified in 1873/74 as "G" Division.

The 100 men participating in the tournament have been selected either by an eliminating tournament between subdivisions or by selection of an all-star team from all participating teams in their division. They represent the 7,500 members of the RCMP in Western Canada.

In the process of selecting the five representative teams the members performed in exhibition games in support of minor hockey, crippled children and other local charities. The main objective of this project is to celebrate the 100th anniversary of the arrival of the North West Mounted Police to Alberta, and to foster better relations between young people in Western Canada and law enforcement officers.

The round-robin tournament will commence on Thursday, April 4 at 8 a.m. with Saskatchewan playing Alberta at the Namao Rink and British Columbia play-

ing the Depot Division at the Sturgeon Rink. Depot Division in Regina is the national training school for the RCMP. At 2 p.m. Manitoba will play against Saskatchewan at the Namao Rink and Alberta 111 play against B.C. at the Sturgeon Rink. At 8 p.m. the Manitoba team will play against the Depot Division team at the St. Albert Rink.

On Friday, April 5, play will again commence at 8 a.m. with Saskatchewan playing B.C. at the Namao Rink and Manitoba playing Alberta at the Sturgeon Rink. At 2 p.m. the Depot Division will play Saskatchewan at Namao while Manitoba will face B.C. at the Sturgeon Rink. The final game of the round-robin will be at 8:30 p.m. when Alberta faces the Depot Division team in the Sherwood Park Rink.

At 8 a.m. Saturday, April 6, the four top teams will meet in semi-final playoffs at the Namao and St. Albert Rinks.

The championship game will commence at 2 p.m. April 6, at the Sherwood Park Rink and will be offi-

cially started by Robert W. Dowling, Minister of Consumer Affairs and Minister Responsible for Tourism. Mr. Dowling, chairman of the Ministerial Committee responsible for the Alberta RCMP Century Celebrations will also present a cheque to Assistant Commissioner V. M. Seppala, commanding officer, RCMP "K" Division, Alberta, to help support the cost of the tournament.

The winning team will be presented with the 'Alberta-RCMP Century Celebrations Western Canada RCMP Championship Trophy' by Mr. Dowling at the completion of the tournament.

Edmonton area hockey fans will have an opportunity to view top quality hockey as most of the players have been recently involved in Junior B or Junior A hockey and some were even being sought by the major leagues when they made their decision to join the RCMP.

The Alberta-RCMP Century Celebrations Championship Hockey Tournament is being played in conjunction with a Minor Hockey Tournament hosted by St. Albert and Sherwood Park.

This participation with Minor Hockey is symbolic of the RCMP involvement in minor hockey throughout Western Canada.

Admission to the games is free but seating is limited and there are no reserved seats.

Juvenile Hockey tournament

A four team modified double knockout tournament for the Alberta Juvenile 'A' championships will go this weekend in Stettler.

St. Albert, Stettler, Lethbridge and Medicine Hat will participate with St. Albert going against Lethbridge Friday, April 5 at 9 p.m. Stettler and Medicine Hat start off the tournament at 6 p.m.

The semi finals will take place Saturday at 1:00, 4:00 and 8:30 while the finals are slated for Sunday at 1:30.

Hockey Results

Calgary won the Provincial Intermediate "A" hockey championship over the weekend taking a total goal series 11-8 win over Sherwood Park Barons. Calgary won the opener 7-4 last Thursday in Calgary and earned a 4-4 tie Sunday night in Sherwood Park.

In Intermediate "B" action Westlock Eagles advanced to the provincial finals against Wetaskiwin

with 7-4 and 8-4 wins over Fort McMurray last weekend. Eagles are in Wetaskiwin Saturday night and Sunday will be in Westlock.

Westlock will travel to Leduc Tuesday and Thursday this week in their best of five Edmonton Central Hockey League finals.

Sherwood Park Knights won the Capital Junior Hockey League with four straight wins over Waterloo

SKATING:

Public skating sessions normally held on the following dates have been cancelled -- Wednesday, April 3 and 11; Saturday, April 6 and 13. Parents and pre-school-

ers may still skate together

Wednesdays from 10-11:30. Outdoor rinks finally closed for the season March 31 - a sure sign it is hoped that spring has come at last. BASEBALL:

The last opportunity to register for baseball will be Saturday, April 6 from 9 a.m. until noon, at Robert Rundle School.

GIRLS SOFTBALL:

Registration for girls softball (10 to 16 years) will be held at Robert Rundle School from 10 a.m. till 12 noon, Saturday, April 6.

Family memberships in the Hercules Sports Association cost \$7 and enable members of one family to participate in any Hercules program - softball or soccer. A single membership is \$5.00.

TAKE THE CLASSIFIEDS ROUTE, IT'LL PAY OFF.

Local mites win pair in Cold Lake event

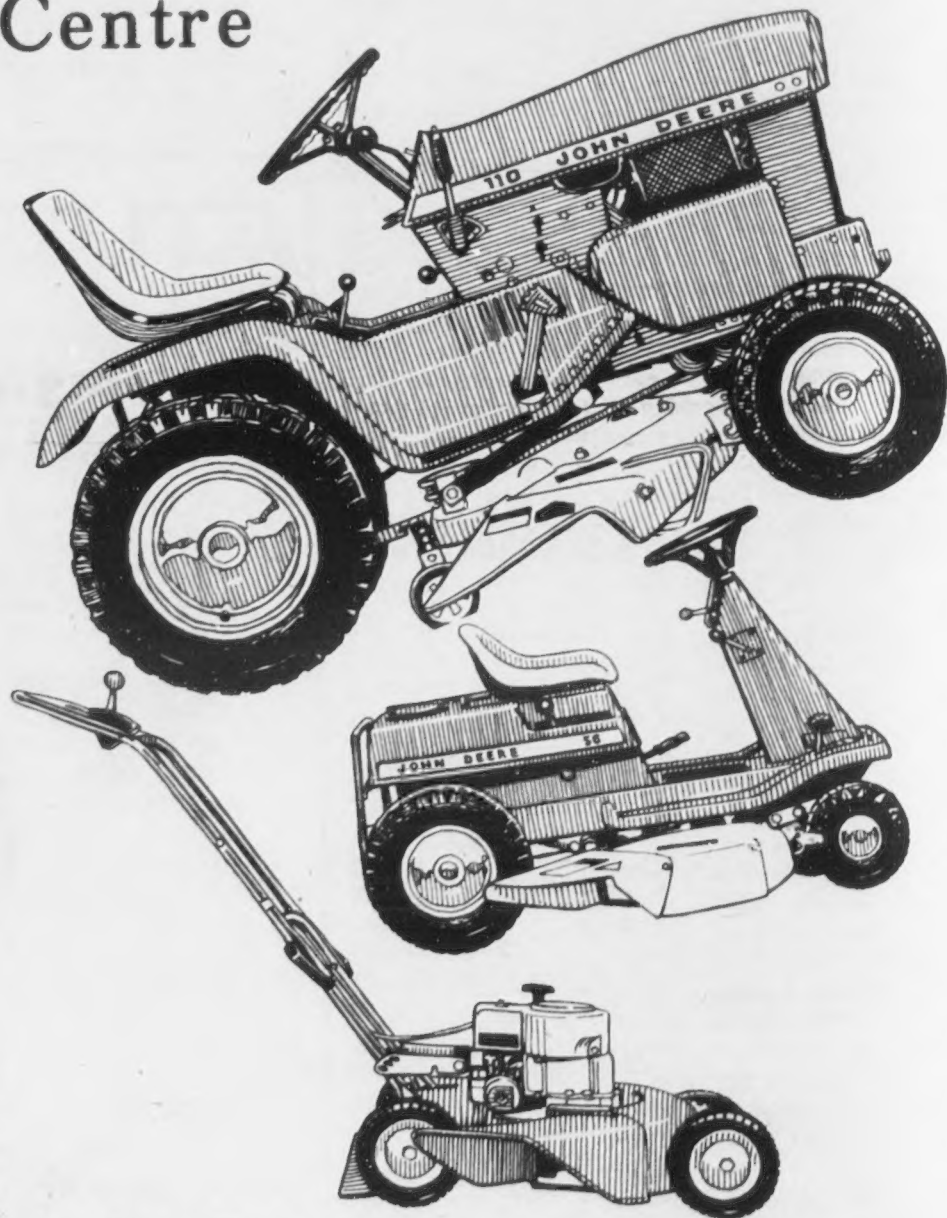

New Holland Combines, a local mite A team travelled to Cold Lake Air Base on the weekend and recorded two impressive wins. They shutout the Quakers by a 5-0 count on Saturday, and then trounced the Royals by a 9 to 0 score on Sunday. An all-round team effort on both occasions, along with good goal tending by Steven McKenzie was responsible

for the victories.

On Saturday goal scorers were Don Loughlin with a hat trick, and Todd Tinzer and Duane Harris with singles.

On Sunday Scott Holliday provided the Combines with a hat trick. Other goal getters were Rick Gray with two, Todd McKinstry with two and singles went to Don Loughlin and Miles Parenteau.

Ski Club supper concludes season

Last Friday the St. Albert Nordic Ski Club held its wind-up supper at the Legion Hall. The skiing events which were to have been held before the supper were cancelled due to the poor snow conditions and those who had brought their equipment just skied around Lions Park for 1/2 hour.

The supper, a buffet-type meal arranged by Jeanne Dixon and Louise Stanley, and organized by the club members, was much appreciated by all those present and everyone came back for second helpings.

Guests of honor were Mr. and Mrs. Reg Loomis who hosted the club activities at Sandy Lake last week. We were also fortunate in having John Marshall from the Waskehegan Trail Association to tell us all about the trail. After the meal, there was a sing song followed by a contest in which different groups wrote parodies on "The Happy Wanderer" and sang these for everyone's enjoyment.

The evening finished with the showing of "Prairie Sp-

ring," an outstanding nature film. Everyone agreed it was a first class family evening and voted to have more of this type of activity.

Thanks are due to Jeanne Dixon and Louise Stanley for organizing the evening and to all those who brought food along.

The Ski Club has now completed its program for the season and unless the weather changes significantly, there will be no further skiing activities until next winter.

The most popular performers at the Father Jan Talent Show last Friday was "The Staff Stompers." At the piano is Brian Kathol, Principal John Kaminski on the banjo, Peter Holt on the trombone, Paul Chalifoux on the moroccas and Pat Moran and Kevin Telford on guitars. Virtuosos Holt and Chalifoux also handled the vocalizing. A chat with the students revealed, however, that they do not believe the group is ready for the 'big time' yet.

Photo by Ron Meleshko.

Father Jan Show helps Share Lent

Father Jan School's main project for "Share Lent" was a talent show, held on Friday, March 29.

"Share Lent" is a nation-

wide project promoted by the five main churches of Canada.

Each dollar raised by the school will be matched doll-

ar for dollar by the Provincial Government and that money will be matched dollar for dollar by the Canadian Government.

Vital Grandin will be having a "Flea-Market" later this month for "Share Lent."

At Father Jan a talent show was planned and staged by the students with the assistance of Sister G. Ha-

Singles elect Board

At the monthly meeting of St. Albert "Singles" held March 13 at St. George Simpson School, a Board of Directors was elected and will remain in office for the rest of 1974.

President - Elaine Supple, Vice-Pres. Lisle Randall; Secretary - Gil Chamberland; Treasurer - Marg Erickson; Social Convenor - Ron Caron.

For information on the club phone 459-5470.

'Father Lacombe' wins prestigious film award

'Father Lacombe' a film by the Alberta Department of Education, was one of four Canadian entries by the CBC to win Ohio State Awards in the 1974 International Education Broadcasting Competition, sponsored annually by the Ohio State University. Awards were presented on March 8.

The half hour color program was produced by CBC as part of the Heritage and Horizons history series sponsored by the Department of Education. Jack Emack of CBXT, Edmonton, was the producer and the script was written by Warren Graves, also of Edmonton.

The judges were unanimous in their selection of the film for the award and the citation reads, in part, "As an historical drama is most successfully brings to the television screen the strong personality of Father Lacombe in his efforts to protect the Indians and Metis of the western plains from the shock of onrushing civilization. Though primarily

intended for a young audience, it also brings to the general viewing audience a most meaningful chapter of Canada's history."

'Father Lacombe' was also honored as the best educational film production at the Canadian Educational Communications Conference in June 1973.

Other CBC winners were

'Come and See', a film produced by CBC Winnipeg in co-operation with the Saskatchewan Department of Education; the Ontario Radio Broadcast of 'Kaleidoscope: Please Tell Me That Story Again' and the Saskatchewan Department of Education's radio program 'Dreams and Things - Science and the Far Future.'

It was not a good year

Alberta's unofficial traffic accident statistics as reported by police departments to Alberta Safety Council, were lower in December than in the same month a year before. Reported accidents were down seven per cent at 6595. Injuries declined 5.4 per cent at 986. Deaths declined by one at 38 for the month.

In Edmonton, the bus drivers strike generated an increase in motor vehicle traffic, which with heavy snow and hitch hiker pickup and discharge, made driving a stop-a-lot and go-a-little experience, said R. P. Lawrence of the Council. Still, accidents declined 15 per cent, injuries 22 per cent and deaths were down to four from eight in December, 1972.

On the whole year of 1973

in Alberta, accidents, injuries and deaths all increased but not as much as the first half of the year indicated they would. Accidents at 60,403 were up 10 per cent. Injuries at 13,689 were up 10.8 per cent. Deaths at 500 were up from 455 in the previous year for an increase of 10.9 per cent.

The cities of Edmonton and Calgary produced an exceptionally bad record in 1973. Accidents and injuries were up but deaths, especially in Edmonton, increased significantly, 53 deaths against 38 of the year before. In Calgary it was 43 in '73 against 36 in '72.

RCMP (rural) showed a 10 per cent increase in accidents at 15,903. Injuries were up 10.5 per cent at 6490. Deaths rose 10.6 per cent to 390.

Olsons enjoy holy land tour

For further information, call the District Taxation Office. If you live in a toll area, ask your long distance operator for ZENITHO-4000 and your call will be placed without charge.

Q. I am employed as a garage mechanic and have to provide my own tools. These cost me \$500. When completing my income tax return, can I claim this expense as a deduction?

A. No. The cost of tools is not deductible from salary or wages; nor may you claim capital cost allowance on them. You may, however, claim an employment expense deduction of three per cent of your employment income, up to \$150 a year.

Q. I am a transport employee and I do have certain travelling and away-from-home expenses. What records are necessary to prove my claim for these expenses when filing my income tax return?

A. If you are an employee of an airline, railway, bus or other transport company carrying goods or passengers and you are required to travel regularly away from the municipality or metropolitan area where you report for work, you may claim actual expenses for meals and lodging while away, minus any amount reimbursed by your employer. You should keep a detailed

record of such expenditures and complete form T12. This form, properly certified, should be filed with your return. There is an information circular 73-21 available on this subject.

Q. As a self-employed person, I paid my tax when I filed my income tax return but received an assessment for interest. What is the interest charge for, as I paid my tax before April 30?

A. An individual who does not have three-quarters of his income subject to tax deduction at source and his federal tax for the preceding year was more than \$400 is required to prepay his tax in quarterly instalments -- at the end of March, June, September, and December. Since you did not do this, interest for late or deficient instalments was charged. A farmer is required to prepay two-thirds of his tax by the end of December.

Q. What are the requirements regarding keeping my business records after I have filed my income tax return?

A. Records must be kept until written permission to destroy them is received from the Taxation Department. This would involve writing to your District Taxation Office stating what records you wish to destroy, the years involved, and your

reason for wishing to destroy them.

Q. If I do not understand or disagree with a Notice of Assessment or Reassessment, what action might I take?

A. Contact your local District Taxation Office for an explanation. The information may be obtained by phone, letter or in person. If the problem has arisen over a misunderstanding of the facts, it is usually to your advantage to have the facts clarified before taking formal action. Most cases are resolved this way. If you are still dissatisfied you may file a Notice of Objection, copies of which are obtainable at the District Taxation Office. The Notice of Ob-

jection must be filed within 90 days from the date of mailing of the Notice of Assessment or Reassessment.

Q. Are workman's compensation benefits received in 1973 exempt from tax.

A. Yes.

Q. Can a retired taxpayer reporting only pension income claim the three per cent employment expense?

A. No. This type of income does not qualify as employment income.

Henry Ford was once asked in an interview what he felt was the major disadvantage of being rich. "Well," replied Ford sadly, "for me it was when Mrs. Ford quit cooking."

Rev. and Mrs. R. O. Olson of St. Albert Lutheran have just returned from directing a tour for Nordic Travel in the Holy Land. They report that it was a most rewarding experience and that the hotels, meals and reception by both Arabs and Jews couldn't have been better. Two statements were frequently heard by members of the Touring Group and they were: 'Fantastic' and 'we are receiving much more than what we anticipated!'

At times we were from 20 to 25 miles from the Golan Heights where the fighting is going on. Outside of seeing men and women here and there in uniform we could hardly recognize that a state of war existed. Let us re-

member these people in our concerns and prayers that their problems may be resolved peacefully!

Such a tour needs to be much more than mere sight-seeing! To all of us it was an education, inspiration, and a deep Christian experience! Life is pretty well 'a storing up of memories.' We hope that each of you will be able to tuck such a tour away in your Memory Book someday!

An executive knows something about everything. A technician knows everything about something. A switchboard operator knows everything.

It's your gas, it's your money. Here's how you can save a little of both.

The wise use of our natural gas resources is important to us all, so we would like to show you a few ways in which you can, without sacrificing comfort, make some small savings on your monthly energy bill.

It takes almost twice as much fuel to heat an uninsulated home. Therefore, insulation can be your single biggest money and energy saver. Important areas to check are attic and outside walls.

Set your thermostat at your family's lowest comfort level. Frequently moving the thermostat up and down increases your heating costs.

Check that your vents, ducts or radiators are not restricted by furniture or carpets and are free of dust and lint which can reduce efficiency.

If you don't already have one, a fresh air inlet installed in the return-air duct of your furnace will ensure sufficient oxygen for proper operation.

Don't overwork your furnace by making it struggle to blow air through an old clogged filter.

If you have a fireplace remember it's not an efficient way to heat a room. More warm air is lost up the chimney than is generated by the fire. Keep the damper closed when the fireplace is not in use.

Using a humidifier is very important and can save fuel. You can feel comfortable at a lower temperature if the relative humidity is reasonably high.

Your fireplace and furnace chimneys should be free of obstruction for proper venting and safety.

Helping you look after your natural gas.

Seniors Lodge for Fort

A 65 bed senior citizen's lodge is to be built in Fort Saskatchewan.

The building will serve senior citizens who reside in the Fort Saskatchewan Hospital District. This area includes Bon Accord, Horse Hills, Bruderheim, Gibbons and the area in between.

In making the announcement, Ernie Jamison, Progressive Conservative MLA for St. Albert stated the government hopes to have the project started during the Spring. They hope to have the building ready for occupancy by the end of 1974.

Ratepayers

The annual meeting of M.D. Sturgeon held March 30 at the municipal offices in Morinville attracted a very small percentage of ratepayers, with 29 attending in a total attendance of 42 including the municipal councillors and staff. Earl Toane was elected chairman and handled the position very well. Gib Boddez was appointed recording secretary.

Reeve Flynn reported a surplus in the road budget for 1973, but stated this had been eaten up unduly high costs of snow removal in an exceptional winter.

Mr. Robert Lema asked where the council purchased gravel for roads and was told from Consolidated Concrete pit at Villeneuve. Mr. Lema noted that gravel from that pit was of good quality for concrete, and the reeve replied that the M.D. buys a mix for roads. He said also that the council will include provision for supplying a certain amount of gravel as a condition of granting all new development permits. Coun. Courchesne informed the meeting that the M.D. is testing in their own pit southwest of Villeneuve and is hopeful that some gravel for roads will be available this year. Most of the land with gravel was bought or leased 25 years or so ago.

Later in the meeting Mr. Lema showed a topographical map of the area indicating where gravel deposits are located. He thought that when council is contemplating any form of industrial development they should hold thorough public hearings. He also asked council to have the department of environment do an impact study on the proposed Twin Bridges gravel mining operation at Villeneuve, and at the same time examine the damage done by the Consolidated and Alberta Concrete operations. He was supported in this view by Ray Kremer, who was concerned with silt

deposited in the river and felt that communication between council and residents was lacking, creating a major problem.

Mr. Boziak of Fairhaven Park said he had been snowed in for three days, getting low on food and cigarettes and had a terrible time reaching either a councillor or equipment contractor. He asked how council sets priorities in snowclearing.

Reeve Flynn replied that the graders go out after a storm and that they give priority to emergency cases. Mr. Jim Zahar also complained about snow clearing, saying that he rented equipment to clear his own road. He asked the wages of operators and was told they are \$4.10 per hour. Mr. Zahar wondered if he should be recompensed for his costs.

Joe Kluthe, who said he was a long time farmer in the area observed that if 'things are THAT serious' the MD should leave the farmers to the last. "But the complaints should be prepared to pay" he added.

Mr. Boziak wanted a plan posted by August, 1974 in each division, showing where and when graders would operate. His motion was lost.

Pat Mills of Fairhaven Park referred to his complaint of a year ago about the dangerous road condition at Squaw Bridge, on the school bus route and said it could become a disaster area if nothing is done. Mr. Flynn, councillor of that division, said he had looked at the section and was aware of the erosion. He had discussed it with people who came out from the water resources branch who felt a retaining wall might be the answer, which would be pretty costly. He suggested that Mr. Mills contact the school board on a possible re-routing of the bus.

Mr. Keith Everitt presented a formal resolution requesting 'that this meeting go on record as requesting the municipal council to hold a well advertised public meeting within six weeks to discuss the \$500 off-site service charge, and be directed by the decision of

the ratepayers at that time. The resolution stated that the policy was detrimental to pioneer farmers, will do nothing to preserve good agricultural land, was a policy change adopted by council without consultation with ratepayers, and is controversial even between council members. Mr. Everitt is with Block Brothers Realty.

Mr. Zahar of Jaybar Realty said that if such a meeting upheld the resolution he would want a refund, and referred to the municipal service charges as a rip off. Coun. Jerram said he had fought against the off-site charges and they represented a business the M.D. should not be in.

Mr. Berube a ratepayer with application before council to subdivide his property asked if the policy was legal.

Noting that Mr. Jerram is also in the real estate business, Mr. Flynn said the municipal service charges against developers are made under the development agreement in accordance with provisions of the provincial planning act, at \$500 per lot.

Coun. Van de Walle was in favor of the principle, but wondered if \$500 was a proper figure. Mr. Flynn pointed out that people on the acreages demanded many services as to roads, snow clearing, fire protection, policing. In his experience he said these people were happy with the situation when they first purchased their acreage but after a couple of years expected the same services they had in the city. The time to provide for these expensive services is at the beginning, with this levy he said.

A farmer in the audience asked Mr. Everitt if he would have been pushing such a resolution four years ago when he was a farmer, not a realtor. Another farmer, Mr. Serink stated his view that the service costs were O.K. and said he was happy to pay his way.

Coun. Kluthe told the meeting that the municipality had hired a firm of consultants last year, Stewart, Weir, Stewart, Watson and Heinrichs, and read from the report on the municipal servicing costs on small holdings. On the basis of this report Mr. Kluthe made clear that on roads alone the levy would be justified and the \$500 is definitely needed to support servicing.

Coun. Crozier took strong exception to the last sentence of the Everitt resolution. I have had previous experience with meetings being backed by pressure groups he said and I suggest Mr. Everitt has gone too far when he says council should be directed by a decision of the proposed public meeting. The motion was amended to delete that portion of the final sentence.

Chairman Toane asked for the consensus on holding such a meeting and motion to do so was not unanimous.

AGT gets go ahead as Flat Rate is favoured

Results of balloting in 10 monton indicate a majority of telephone customers in each favor a flat rate telephone calling service offered by Alberta Government Telephones. The service -- called Extended Flat Rate Calling (EFRC) -- involves a monthly flat rate charge instead of long distance charges when calling Edmonton.

To provide EFRC service AGT will now proceed with engineering and ordering of equipment for operation during November, 1975.

Percentages of ballots returned ranged from 71 - 84 per cent. Percentages voting for Extended Flat Rate calling in each area were as follows - Bon Accord, Calmar, Devon, Fort Saskatchewan, Leduc, Legal, Morinville, New Sarepta, Onoway, *Stony Plain, *Includes Keephills, Spruce Grove and Wabamun.

Flat rate calling for the Edmonton area is part of a province-wide Extended Flat Rate Calling project announced by Hon. R. Farran, Minister of Telephones and Utilities, in the Legislature on April 13, 1973.

Since that time more than 161,000 ballots have been sent to AGT telephone subscribers in 195 areas to determine preferences for EFRC service. When all possible routes in the province are considered 218 telephone exchanges are involved.

Up to this time 37 areas have indicated they do not want EFRC service while

150 areas have indicated acceptance of the offering. Results from eight areas are pending.

Under the EFRC plan a maximum of 30 miles was set between communities to be considered. The intent of EFRC is to help improve

the economic framework of rural Alberta by allowing less costly and more convenient calling between a rural area and its neighboring market centre but not in such a way as to bypass a market centre in favor of a larger community.

Don't put all your eggs in one basket!

Putting All Your Eggs In One Basket or Putting All Your Farm Into One Crop can be hazardous.

Western Canadian Seed Processors has been contracting crops with Alberta farmers for fifteen years. The 1974 Rapeseed Contract is a good way to avoid the one crop problem. Used by thousands of Alberta farmers, the Western Canadian Seed Processors' Rapeseed Contract has provided stabilized farm income through a cash crop. Other contract features include pricing in the bin, pooling price if you wish, storage payments, cash advances and freight assistance payments, or localized collecting points.

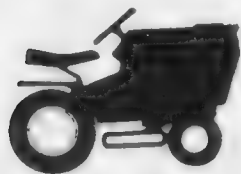

Rapeseed is Alberta's fourth largest crop . . . it allows early harvesting, works well in rotations and is easily marketed through a Western Canadian Seed Processors' Gower Contract.

Sign a Western Canadian Seed Processors' Contract today. Control that "All Your Eggs In One Basket" situation.

Municipal District of Sturgeon No. 90

TENDERS

LEASING OF PASTURE LAND

The Municipal District of Sturgeon #90 is inviting tenders for leasing Municipal land, namely West 1/2 of 24-55-25-4 containing approximately 320 acres for pasture purposes. Tenders are to be delivered to the undersigned on or prior to April 10, 1974. Successful applicant will be held responsible for keeping fences in good repairs at all times and to abide to the Domestic Animals Act. Owner of cattle pasturing said lands will be responsible for damages caused to other properties.

The highest or any tender not necessarily accepted.

Alphonse Nobert,
Secretary-treasurer.

Calahoo girl marries

By Liz McLeod

A pretty spring wedding was solemnized in St. Matthew's Lutheran Church, Spruce Grove on Friday, March 8 when Sharon Elizabeth McLeod, daughter of Pete and Liz McLeod from Calahoo exchanged vows with Bernard James McKinnon, son of Bill and Edie Moore of Quesnel, B.C.

Basket arrangements of gladioli, mums and carnations were placed on each side of the altar, and ribbon bows centered with lily of the valley marked the pews.

Pastor Harold Brose officiated at the ceremony which featured beautiful singing of two hymns, first choice of the bride's "What a Friend We Have in Jesus" and later "How, Thank Thee All Our God."

Mrs. Irvin Scheidegger from Stony Plain was organist and soloist was Mrs. Angelina Meilman from Calahoo. Her first hymn was Sharon's preference, "Just a Closer Walk With Thee," and during the ceremony Angelina sang "O Perfect Love" and "Blessed Be This Day."

A large gathering of relatives, neighbors and friends were on hand.

The bride, given in marriage by her father was radiant in her soft terylene gown, featuring A-line silhouette, high neckline, and long sleeves. The dainty bodice, sleeves and neckline featured charming lace trim and a long chapel train complimenting the gown, together with a waist length scalloped veil, held in place by a floral fabric headpiece.

Live red sweetheart roses with buds on the streamers formed her bouquet.

Miss Gail Dunn (close friend of the bride and groom) and the groom's sister, Lorella Lynne (Lori) Moore both from Quesnel

MR. & MRS. BERNARD
McKINNON

were the bridesmaids with Mrs. Lillian McLeod (bride's sister-in-law) from Spruce Grove as matron of honor. They were a picture in their mauve peau-du-sole gowns with white lace overlay on the bodice and sleeves. They wore mauve and white flowers in their hair and carried matching nosegays. Their white crocheted capes were gifts from the bride, and the white fur cape the bride wore was made by Sharon and Gail.

The groom's brother, Harvey McKinnon from Prince George, B.C., was best man and Mike Jansik and the bride's brother Douglas McLeod were the groomsmen. They were all dashing in their black suits with mauve ruffled shirts. The groom was handsome in his black suit and white ruffled shirt with boutonniere centered by a red rose bud.

Another brother, Mike Moore of Quesnel and the bride's cousin Bob Royer Jr., from Calgary ushered in the guests.

For her daughter's wedding Mrs. McLeod chose a soft pink terylene gown that had an empire waistline and long sheer sleeves, com-

mented by a white rose corsage. The groom's mother was lovely in a sleeveless navy blue tulle gown trimmed with a white collar, and enhanced by a pink roses corsage.

A reception followed in Onaway Centennial Hall. Mauve and white streamers and bells decorated the stage and the head table, centered with a three tier wedding cake (made by bride's mother) and beautifully decorated by Cecile Berry in the mauve theme. Perfumed white candles in silver holders flanked the cake.

Seated at the head table were Pastor Harold Brose (who offered the blessing), Bill and Edie Moore, Doug McLeod, Mike Jansik, Harvey McKinnon, Bernie, Sharon, Gail Dunn, Lori Moore, Lillian, Liz and Pete McLeod.

The toast to the bride was proposed by brother Harvey McKinnon.

A neighbor and former classmate of the bride, Mr. Arthur Lischewski was congenial master of ceremonies.

After the sumptuous hot meal the usual jokes and humor reigned supreme and then Mrs. Gertie MacDonald sang "All My Love."

The capacity gathering enjoying visiting and socializing during the dance to the very fine music of Mr. Grant Evan's band.

For her going away outfit Sharon chose a two tone buff and brown dress and matching coat accented by a corsage of yellow roses.

Valorie Lischewski caught the bouquet and when the groom tossed the garter Don Schmermund caught it.

Following a honeymoon to Calgary, Turner Valley, Banff and Jasper, the couple will make their home in Quesnel, B.C.

Namoo News

By Norma Crozier

On Easter Sunday a Sunrise service will be conducted by the Namoo H.C. at 7:30 a.m. in the Namoo Church, to be followed by a pancake breakfast in the hall. Everyone welcome.

Namoo U.C.W. will meet at the home of Mrs. Alma Paul on Wednesday, April 10 at 1:30 p.m. Mr. Sidney Harper will be present to show his slides of the Passion Play. Anyone interested is invited to attend.

A Red Cross Blood Donor Clinic for Namoo, Bon Accord areas will be held on Wednesday, April 17 from 6 - 9:30 p.m. in the Bon Accord Hall. There is an urgent need for blood so we urge all possible donors to attend this clinic.

Babysitting will be available.

Mrs. John R. Crozier has returned home after spending the winter in Hawaii.

The Lancaster Park Ladies Curling Club held their annual wind-up on March 28, to end another very successful year of curling. A two-game total point Third's Spiel was played with a

general meeting held at noon between games. At 5 p.m. the ladies gathered in the upstairs lounge to enjoy a de-

licious roast beef dinner with all the trimmings.

The evening program started with prize presentations by President Mrs. Corrine Sattie. The Grand Aggregate trophy went to the Eleanor McIntosh rink with Norma Crozier, third, Terry Ackert, second and Audrey Nichols, lead. This year the ladies club donated a runner-up trophy in memory of the late club manager, Mr. Ivan "Woody" Wood. Mrs. Wood was present to present this trophy to the Norma Palmer rink, with Jay McBurney, third, Linda Andersen, second and Terry Werbeski, lead. Winner of the Third's Spiel was the Betty Samis rink with Babe Davis, third, Betty Rhodes, second and skip Arlene Crozier playing lead.

Following the prize presentations an evening of fun was enjoyed with skits and a sing song led by Donnie Wilson on her guitar.

Congratulations to Viola Samis and her rink, Mary Clark, Olga Carruthers and Helen Goulay. They picked up the fourth prize in the First Event of the Nifty Fifty Bonspiel in Edmonton recently.

Mrs. Hazel Martin has returned from a trip to Hawaii. She was accompanied by her sisters Mrs. Flo Mc-

Kinley, Mrs. Ivy Reed, Mrs. Vivian Griswold, her aunt, Mrs. Katie Davis and Miss Francis Jones. They all enjoyed the native people, the flowers and scenery to the utmost.

A small crowd attended the Snowmobile Gymkhana on Sunday. Winners were: Roy Melnyk - 1st, 33 points; George Mullen - 2nd, 31 points; Barry Sturrock - 3rd 21 points; Sharon Davis - 4th 13 points; Marshall Davis - 5th, 11 points; Derek Nelson - 6th, 7 points.

Namoo Local of Uniform will meet in the "Hub" on April 11 at 8 p.m. Mike Osadchuk will be present to show his slides of his trip to Australia, New Zealand and Hawaii. Everyone is welcome to attend.

Namoo Senior Hockey Club will hold their wind-up dinner in the Hub on April 19. Anyone wishing tickets may phone Harvey Ash at 799-3614 before April 11.

Morinville hockey banquet draws large local turnout

On Thursday, March 21 the Rec. Centre in Morinville was the scene of the Minor Hockey Banquet, to which more than 380 people turned out, in spite of the very drastic weather conditions.

On hand for the big event were all the team coaches - (there are 10 minor teams) as well as most of the players with their parents and

friends.

Head table guests included Mr. and Mrs. Ross Quinn, Mr. and Mrs. Paul Ellis, Mr. and Mrs. Lisle Kivell, Mr. and Mrs. Carl Royan, and Paul Chalfoux.

Paul Ellis acted as master of ceremonies, doing an excellent job as usual. The members of the Sports Association were introduced as follows: Ross Quinn (vice-pres.); Helen Schriver (sec.); Doug Ramer (treas.); directors - Jean Robinson, Mary Hittinger, Ted Mulligan, Norm Meunier, Frank Vollmer, Lisle Kivell, Leonard Lavoie, Leon Schayes, Ed Kryskow, Bob Ringrose, and Alf Hermanutz. President - Maurice Schayes was unable to attend.

Presentations were made of the various trophies, most

sought-after being the "Dave Kryskow" trophy. Winners of this award were: Tim Quinn, Chris Bokenfohr, Dean Vollmer, Bradley Hooper, Richard Himschoot, Naim Butt, Darrell Bokenfohr, Brian Hermanutz, Raymond Short and Roy Roemer.

Other trophies presented were for "Most Improved Player", "Best Sportsman", "Top Scorer", "Best Defence", "Best Forward", "Most Valuable Player." A list of winners follows, without a breakdown as to which award:

Shavers 1 (coach Leonard Lavoie) - Brent Skjersven and Raymond Meunier.

Shavers 2 (coach Salim Butt) - Rick Mulligan and Casey Bentz.

Shavers 3 (coach Bob Craig) - Dwight Van Brabant and Gerald LaLonde. Mites (coach Claude Riopel) - Larry Hunter and Robert Clark.

Blades (coach Don Krauskopf) - Kevin Hittinger and Jamie Kryskow.

Raiders (coach Dennis Boissonnault) - Gerry Krauskopf and Marc Gibeau.

Lions (coach Terry Maslyk) - Jeff Mulligan and David Chalfoux.

Remparts (coach Don McGrath) - Jack Kool and Don Bouvier.

Midgets (coach Leon Schayes) - Salim Butt and Robert Tellier.

Juveniles (coach Maurice Riopel) - Terry Maslyk and Chuck Critchley.

Awards were presented from team members to their coaches, and were received with surprise and gratitude from each of the coaches who have spent so much time with the young boys this past winter.

The speaker for the evening was Lisle Kivell who gave a very encouraging talk on "Artificial Ice for Morinville."

In the absence of the president, Ross Quinn (vice) spoke a few words in closing.

So for another season the boys and young men who are our future 'hockey stars' hung up their skates, put away their equipment, and prepared for a summer of preparing for another hockey season.

Winners of the Sturgeon Basketball League were the Sturgeon Heights school girls team. In the first game of the event held March 9 in Gibbons, the team narrowly defeated Namao in the last second of play. They won their second game after two overtime periods and the final was a closely contested match with Camilla when the team again came through in the dying seconds of the game for a 11-10 victory. Earlier in the Vanier Invitational Tournament the team lost to Camilla in the finals. Standing from left are - Coach, Mr. J. Kieser, Karen Flynn, Crystal Lloyd, Laurel Bouvier, Dianna Olson, Anne Bokenfohr, Janie Boslak, Diane Bokenfohr and Colleen Klak. Kneeling are Debbie Borle, Anne Anderson, Kathy Zornlak, Bonnie Menzies, Colleen Maine and Diane Kieser.

Comment From Ottawa

By Stan Schellenberger, M.P. for Wetaskiwin.

Some weeks ago, Transport Minister Jean Marchand stood up in the House of Commons and told the country that it doesn't have a comprehensive transportation policy; that existing policy is open to serious question in terms of what benefits, if any, it is providing to the country; and that the government is having a lot of trouble managing the policy that does exist.

Lack of such a policy has caused tremendous problems in the past and by July of this year, could cause an estimated \$500 million loss in grain sales to western farmers. Western farmers have already lost an estimated \$300 million in grain sales this year because the railways do not have enough boxcars to move the grain out of the west to departure points for shipment. The lost sales totalled approximately 60 million at a time when wheat prices were around \$5.00 a bushel.

The Canadian Wheat Board is now behind an additional 35 million bushels in committed sales for 1974 because railways cannot meet the commitments. It has been estimated by some of my

fellow Western Members that each western grain farmer stands to lose about \$4,000 by the end of the crop year if the government does not act to have the grain transported. Both Otto Lang, Minister Responsible for the Canadian Wheat Board, and Transport Minister Jean Marchand have known about this situation since last summer's rail strike which initially held up grain transportation.

The railway companies are not interested in carrying grain because it is not profitable. Roy Atkinson, president of the National Farmers' Union, says that the railways have a sufficient car fleet to move cereals, but are performing badly in order to force a change in statutory grain rates.

In his March 7 speech to the Commons, Transport Minister Marchand said he doubted whether the railways would buy the additional cars even if they were paid to do so.

His excuse for this intolerable situation is that he has the responsibility but not the authority to take the action necessary to resolve the situation quickly and efficiently. The truth of the

matter is that Mr. Marchand has all the authority he needs under the National Transportation Act to instruct the railways to move the grain. His responsibility is to exercise that authority, even if it requires a form of emergency legislation.

If Mr. Marchand fails to deal with this problem, he will not only be negligent in protecting the interests of the western grain farmer, but also negligent in accepting his responsibility as Minister of Transport.

Recently, Mr. Marchand has gone out west to discuss transportation problems with the four western provincial transport ministers. They all agree that something must be done. It is up to Mr. Marchand now, to take the initiative.

Around Sturgeon

Henri Berube of R.R. 1 St. Albert won the door prize draw at the conclusion of the Canadian Western Farm and Ranch Show Finals - a fun weekend for two at the new Edmonton Plaza Hotel.

MORINVILLE MEMOS

By Flo McGinnis

Mistakes DO happen you know. In the advertising for the Parish Supper it was erroneously stated that the "Family Rate" would be \$6. -- actually the Family Rate is \$8 so please keep this in mind when you come out to the Parish Supper at the Morinville Recreation Centre on Sunday, April 7. Supper will be served from 5-7 p.m. Check your tear-out page from the last issue, for further details.

Donations for the Guides and Brownies rummage sale are still terribly slow in coming in, perhaps some of you ladies are just getting ready to go through your closets etc., so could you please keep the date April 23 in mind. The drop-off point is Jo Anderson's house (next to Plains Western) and her

phone number is 256-3280.

On April 6 (Saturday) the Cubs and Scouts will be holding a bake sale in the IGA so please be on hand to help support the boys. Goodies go on sale at 10 a.m. sharp.

The next meeting of the United Church Ladies' Aid will be held at the home of Mrs. Rita Barilla on Tuesday, April 16, at 8 p.m. sharp. If you are a newcomer to Morinville and would like to meet the UCC Ladies' Aid group, you are most welcome to attend the meeting or to phone Jean Robinson at 256-3153 for information.

With Rec. Fest '74 coming up this weekend we expect to see a great deal of activity, especially in the area of the schools and Rec

Centre. One item that catches our eye is the Tug-of-War contest that goes on at 3 p.m. Saturday. By the sounds of things this should turn into a good spectator's dream.

Other activities around town this weekend include: the Grand Opening of the newly renovated Macleods store; a car rally; the Parish Supper; both UCC and RC church services. It appears to be spring, and everyone is ready for action.

An All-Star wrestling card will be featured at the Rec. Centre on Friday, April 12 beginning at 8:30 p.m. Wrestlers are all T.V. stars from Stampede Wrestling and Bulldog (Bud) Osborne goes against the Zebra Kid in the Main Event.

Field crop markets become more selective

BETTER SEED FOR FIELD CROPS
Re-issued by Wally Klatt, District Agriculturist
The Alberta Department of Agriculture urges the better commercial seed growers in the province to plant registered seed this spring. Sherman Yelland, provincial cereal and oilseed crops specialist, explains that this request is being made to increase Alberta's supply of certified seed, which is going to be needed if the increas-

ingly selective world market demands are to be met. It is because of these same market demands that the federal government passed legislation at the end of last year to limit the use of cereal and flaxseed varietal names to pedigreed seed. Similar legislation was passed for forage crops seed and rapeseed in the 1960's.

The new legislation means that a varietal name cannot be used for any cereal or flax seed that is four or more generations removed

from the basic breeder seed in cereals and flax the three classes of pedigreed seed are foundation, registered and certified.

The large Italian market for Wakoma durum wheat is an example of the sophisticated markets with which we have to deal today. Alberta finally broke into this market because Wakoma, which is true to variety, is a high quality durum wheat. This market could be easily lost, however, if this variety should become contaminated with other varieties. Mr. Yelland says the only safeguard a farmer has against seed being contaminated with other seed, and weed seeds, is to plant certified seed on clean land.

Genesha utility wheat is another example of the importance of keeping a variety pure. Genesha has captured a large market which promises to grow even larger. To keep this large developing market, the Canadian Wheat Board insists that all deliveries of this wheat must contain seed that is true to variety. Again, the only way that Genesha growers can be sure of variety purity is by planting certified seed.

The malting trade has insisted upon varietal purity for many years. Because many barley growers have not adhered to this standard, about 65 per cent of the Olli barley grown in central Alberta every year is not eligible for the malting trade. The fact that a large proportion of the rapeseed grown in this province is not true to variety has resulted in growers having to submit samples to crushing plants before having their rapeseed accepted. The problem is that the erucic acid content of these mixtures is too high to meet the domestic market standard of five per cent erucic acid. Canada's domestic market is second in importance only to Japan. The use of certified seed of low erucic varieties is the only guarantee the rapeseed grower has that a low erucic acid variety has been planted.

World markets are also becoming more selective for forage seeds. In fact, Alberta forage seed growers, who produce half of Canada's forage seed exports, are in danger of losing these export markets unless they grow certified seed of the varieties demanded by their customers. These customers are no longer satisfied with local commercial seed.

Food for the heart

By Pat Doerksen, District Home Economist

The way to a man's heart is still through his stomach, but the old saying has taken on a second meaning: the food you eat can endanger your heart, or protect it.

Heart disease is the biggest cause of death in the western world. Males are more susceptible than females particularly to age 60. Some of you may have seen the newspaper article that suggests it is safer for women to shovel the snow than man.

Risk factors known to affect the heart include heredity, high blood pressure, overweight, lack of exercise, emotional strain, and excessive cigarette smoking. Maintaining desirable weight, taking regular exercise, cutting down on cigarettes, learning to take life in stride - all these precautions help to reduce the risk of heart attacks.

The results of many studies undertaken in several countries during the past decade have shown that there is a correlation between diet and high levels of blood cholesterol, and the incidence of coronary heart disease. It has been shown that saturated fat, usually fats of animal origin which contain cholesterol, are particularly liable to increase the level of cholesterol in the blood stream. Unsaturated fat, usually fats of vegetable or marine origin, show a slight tendency to decrease

the level of blood cholesterol. Egg yolks and organ meats are very high in cholesterol and shellfish are moderately high. There is no cholesterol in foods of plant origin such as fruit, vegetables, grain cereals and nuts.

Cholesterol is vital to the function of our body. It is one of several fat-like substances present in all blood serum. Current thinking seems to be that we need a balance of saturated and unsaturated fats and that we need a mixture of liquid and solid fats. It has been found that sugar raises the cholesterol level significantly so a cut down in sugar consumption is recommended.

The Canadian Heart Foundation makes the following recommendations:

1. That those individuals with a high blood cholesterol

of level or a family history of coronary heart disease adopt under the guidance of their physician a diet which will decrease their blood cholesterol level.

2. That the general population, particularly the males, should, under the guidance of their physician, consider the desirability of replacing about 50 per cent of their intake of fats of vegetable origin.

3. Obesity is known to be a significant contributing factor in the production of coronary heart disease, and therefore weight should be controlled by a combination of dietary management and exercise.

Rapeseed Seminar

By Wally Klatt, District Agriculturist.

A rapeseed seminar will be held at Legal on April 10 at the Legal Community Hall. This seminar begins at 1 p.m. to 4 p.m.

Information on cultural practices, what's new in rapeseed, diseases, weeds, will be discussed.

All rapeseed growers are specifically invited to attend. Bring your neighbor also.

Freight Assistance

By W. O. Klatt, District Agriculturist

The feed freight assistance on hay and grain has been extended to April 30, 1974.

Weed Seminar

By R. H. Berry, Assistant District Agriculturist

To be held at the Morinville M.D. Building on April 5th from 10:30 a.m. to 3 p.m., a Seminar on characteristics and control of problem weeds.

Topics to be covered include: Weed identity and characteristics; herbicide control; and equipment for herbicide application.

Everybody welcome. Bring your neighbor and your LUNCH.

Branding Demonstration

By Wally Klatt

There will be a branding demonstration at the farm of Doug Brown, R.R. 1, Legal on THURSDAY, APRIL 11 at 1 p.m. The demonstration will be on the use of the hot irons. Other forms of branding will, however, be discussed.

Doug's farm is two miles

east and two miles north of Busby.

Everybody is welcome. Coffee will be served.

Report from Bon Accord

The Bon Accord Lions held their regular meeting at the Community Centre on March 20. Nominations were held on March 18 with the following slate of officers elected on March 20. President Dave Latta; 1st, 2nd and 3rd vice-pres. Taras Ferby, Joe Milligan and Don Grant; secretary Bill Reynolds; treas. Ron Herd; directors - John Pasemko and Harry Mulligan; Tall Twister - Al Kelly; Lion Tamer - Tom Brown. No committees have been set up as yet. The Bon Accord Lions are hosting a Zone Advisory meeting at the B.A. Community Centre on Sunday, April 7 at 1:30 p.m. with representatives from every club in the district in attendance. Lions' meetings are scheduled for the first and third Wednesdays of the month at 7 in the Community Centre. Want to know more about the Lions? Phone Dave at 298-3615.

On March 25, the first Bon Accord Girl Guide Company visited the RCMP detachment at Morinville and were shown around the office and cell area by Constable McEwen. The constable explained to the girls how the radar and breathalyzer equipment worked, also the dispatch radio. The girls listened to incoming calls and relays. They were also given the opportunity to ask many questions which Constable McEwen answered for them. Questions ranged from how much money do you earn to what type of criminals do you have in the area. The most informative question was "How expensive must an article be before taking it constitutes a theft?" The answer - if a person takes a one cent package of bubble gum he can be charged with theft. At the end of the visit the girls were fingerprinted and allowed to keep their prints. The guides and their leaders would like to thank Const. McEwen and other

officers at the Morinville RCMP detachment for a very interesting, informative and enjoyable evening.

Congratulations to Mr. Orville Wyman whose Aberdeen Angus bull, Ravenmere Blackman won Reserve Jr. Champion at the Canadian Western Stock Show in Edmonton.

A sports wind-up dance for senior baseball and hockey players will be held on Saturday, April 6 in the Bon Accord Community Centre. Music by Ken Rasko's Twilighters and tickets may be obtained from Don Bland or Doreen Hewitt.

The Board of Trade held a meeting on Wednesday, March 27. Election of officers was held with the following being elected - Pres. Ken Melech; vice pres. Jack Burnham and sec. treas. - Helen McKenzie, John Morris and Keith Whitson were put in charge of a committee to draw up the aims and objectives of the Board of Trade. Meetings will be held regularly on the 2nd and 4th Wednesdays of the month except for the April 10 meeting which will be held in the clubroom on Tuesday, April 9 at 8 o'clock. Whether you wish to become a paid-up member or not you are invited to attend. Perhaps sitting in will encourage you to become a working member.

St. John Ambulance has volunteers who are able to provide a Home Nursing service for persons who are crippled or shut-in with a lengthy illness. The service, it must be remembered, is not for total care of patients. It is to provide family education and assistance where needed. For further information call Dolma Popjes at 298-3524 or Janice McDonald at 298-3500.

REMEMBER - In times of emergency call 298-3777. The village of Bon Accord provides an emergency phone service for the local St. John Emergency First Aid group. This number rings simultaneously on four phones, one of which always has someone standing by in case of trouble. The service is free. Feel free to use it.

On Palm Sunday, April 7 at 9 a.m., the Bon Accord United Church will celebrate the Sacrament of the Lord's Supper. An adult study group meeting - Young People are also welcome to attend, will

follow the service. On Good Friday there will be a service at 11 a.m. in the United Church.

The 4H Light Horse Club held their junior speak-offs in the Community Centre on March 27 with Natalie Sharp placing first and Shelley Sharp placing second. Judges were Lynda Bland and Charlene Peel. Timekeeper was Logan Carleton.

Sturgeon Jr. 4H public speaking finals were held at Alcomdale on Friday, March 29. Winners were Sheryl Soetaert of the Camilla Clothing Club who placed first. Sheryl received a silver pitcher, courtesy of the Royal Bank. Placing second was Tami Kowalski of the Bon Accord Food Club. Tami received a framed picture of Ranch Country in Southern Alberta donated by Mr. Ernie Jamison. Cynthia Bojchko of the Bon Accord Clothing Club received honorable mention. Due to a power failure all public speaking was conducted by light from coal oil lamps, lanterns and candles hastily assembled by the good people of Alcomdale. It certainly was a good weekend for Tami who also placed second in the Girls' Novice Slalom races held at Tawatinaw Valley Ski Resort on March 31.

At the Senior Speak-offs held at Namao on March 25, the winner was Marsha Rigney, Bon Accord 4H Light Horse Club. Marsha received a gold watch, presented to her by Mr. Jim Sharp on behalf of the Morinville Seed Cleaning Plant. Placing second was Janet Lamoureux Gibbons Garden Club. She was presented with an Alberta picture donated by Mr. Ernie Jamison. Receiving honorable mention was Lori Pawluk, B.A. Light Horse Club. Marsha speaks again on April 6 at Edson where she will compete in the south half of the North West Regional finals.

A very good crowd turned out for Bingo on March 31. Winner of the Bonanza Bingo was Master Dannie McKay. The jackpot has not been won and is now \$75 in 56 numbers.

Parents and minor hockey players are alerted to keep the afternoon of April 28 free as this is the date set for the minor hockey wind-up.

Bon Accord's Pee Wee Champions. Back row, left to right - (Coach) Russell Pawluk, Brian Lewis, Gary Shwanke, Chuck Saunders, Lynden Morris, Bill Rigney, Bevan George, (Coach) Norbert Quaghebeur. Middle row, left to right - Brian Bland, Mark McEachern, Darcy Krysko, Patrick Quaghebeur, David Kreway, Stephen Saunders. Bottom row, left to right - Murray Pawluk, John Chubb (goalie); Kelly Robertson, Calvin Brown. Missing is Kevin Robertson and Coach Dick Bland.

Angus brings \$18,500

The Cross Country Sale saw Don Grosfield of Duchess, Alberta top the Aberdeen Angus sale with his two year old bull at a price of \$18,500. Second highest selling bull was entered by Marjorie Forsyth of Mirror, Alberta who received \$13,000 for 2/3 interest in her good yearling. Top cow and calf combination brought \$9,100 to Frank Slezina of Coal-dale, who incidentally got \$15,000 for his Grand Champion Red Angus Bull at the Calgary Bull Sale this year.

Others who received top prices were Orrin Hart, Provincial Angus Association president, getting \$7,000 for top cow. Femals sold exceedingly well throughout the day with top heifer and top bred heifer sharing the same figure of \$5,000 each. These were submitted by Joe Erdel of Mayerthorpe and James Brown of Erskine. Don Dixon from Valleyview with cow and heifer calf at \$4,200, Ken Armitstead with third highest selling heifer calf at \$2,900 and Ed Molzan with a bull at \$4,100. The overall average of the sale was

AROUND STURGEON

Michael Kallal of Vimy showed the Reserve Junior Champion at the Canadian Western Stock Show and Sale The Champion was a 970 lb. Chianina cross steer which sold for 66 cents per pound. Sixty-five head of finished market cattle sold March 25 for an average price of 54 cents per pound. Supreme Grand Champion was a red Angus Charolais cross steer and the Senior Reserve Champion was a Shorthorn-Charolais cross.

Bon Accord gains Pee Wee trophy

Bon Accord has captured the Sturgeon Pee Wee League trophy.

The team put on probably their most outstanding performance of the season in front of approximately 100 fans in Legal Arena, Monday night, downing Vimy 8-3.

After the first period the score was 3-1 for Bon Accord. Second period was just as successful with 4-3. In the third period Bon Accord, still hot, scored four more goals.

Goal getters were Patrick Quaghebeur five goals; Bill Rigney, two goals; Lynden Morris, one goal, one assist; also Murray Pawluk, three assists; Brian Bland and Gary Shwanke each one assist.

Bon Accord also captured the minor hockey week trophy defeating Vimy 3-2 at the Red Water Arena.

Father Colin Levangie showed the pupils of the St. Albert pre-school education kindergarten the rudiments of the ceremonial 'Chicken Dance' done by the Cree Indians and the youngsters entered in with gusto. The parish priest also told the children that the beadwork on his beautiful ceremonial dress told the story of the life of the priest, Father Lessard, to whom it originally belonged. Authentic Cree music played on his tape recorder added to the children's impressions of the Indian customs. In preparation for his visit the boys and girls made their hats and vests under the guidance of their teacher, Mrs. Foster. Photo was taken in the Clubhouse Friday morning. On Monday of this week the pupils visited the museum.

Edward Yeske passes at 74

EDWARD YESKE

By Norma Crozier

On March 29, 1974, Mr. Edward Yeske passed away at 74 years of age. Born Feb. 23, 1900 in Russia, he was one of a family of eight. When he was very young the family immigrated to Germany. Mr. Yeske came to Canada alone in 1923 to Vancouver where he lived until 1928 when he journeyed to Edmonton.

On Nov. 1, 1928 he married Helen Lutz. They lived in Edmonton for a number of years before deciding to become farmers. They farmed first at Entheville and at Barrhead, and in 1948 they bought the Kelly farm at

Namoo where they lived and farmed for 23 years. In 1971 Mr. and Mrs. Yeske retired to Vancouver, B.C., but after he suffered a stroke in October of 1972 they decided to return to his beloved home in Alberta. They bought a home in North Edmonton near Namoo.

Mr. Yeske is survived by his loving wife, Helen, four sons, Arthur of Edmonton, Alfred of St. Albert, Max and Adolph of Namoo; three

daughters, Miss Freida Yeske of Vancouver, Mrs. Laura Elmore of Benton, Arkansas and Mrs. Elsie Mar of Vancouver. Also 14 grandchildren. He was predeceased by his son Walter in 1963.

Funeral services were held on April 1 by Howard and McBride from Norwood United Church with Reverend Harold Black officiating. Interment was in Namoo Cemetery.

Treasure House Furniture

10733 - 124 St., Edmonton Ph. 452-2990

World Fair amphitheatre

Alberta will construct an outdoor theatre partially enclosed by a man-made hill with a small indoor theatre inside the hill, on Canada Island.

The outdoor theatre will be used to feature Alberta, Canadian and an overflow of American performers and groups. The indoor theatre will be used to show films in keeping with the Expo '74 theme.

The Expo theme is "celebrating tomorrow's fresh, new environment," and says King F. Cole, president of the Expo '74 corporation, "we want the exhibits to be environmental in thrust."

Frank Calder, project

manager of the Alberta Exhibit for the public affairs bureau, is working with such departments as lands and forests, environment, and culture, youth and recreation as well as with Travel Alberta to arrange for films to suit the theme.

The Alberta project should be under construction on "Canada Island" later this month and will be completed in time for the May 4 opening ceremonies.

It will be attended by four Alberta girls who will act as hostesses for the six-month duration of the World Fair.

Said Frank Calder, "The Expo '74 committee has been delayed by application from

American performers and groups and we plan to make our facility available to the overflow from other pavilions and theatres. These, along with Alberta and other Canadian presentations should guarantee the continual use of our exhibit."

WE LIKED THESE

Stickup men become more sophisticated daily. Take the gunman who suddenly popped up at the paymaster's window of a mammoth assembly plant and barked, "Never mind the payroll, buddy. Just hand over the welfare fund, the pension fund, the group insurance premiums, and the withholding taxes."

SHADES OF LONG JOHN SILVER — Gold Doubloons and Silver "Pieces of Eight" above will be only a small part of the Treasure of the Spanish Main display at the Edmonton Boat, Trailer and Sport Show, April 3 to 7. Exhibits will include artifacts recovered from nine different Spanish Treasure Galleon sites.

NOMINATIONS ARE INVITED

from Alberta citizens for two places on the

Committee on the Articulation of High School and Post-Secondary Educational Institutions

Persons selected for this committee may hold office for a period of two years and the appointment may be renewed.

Duties of the committee are as follows:

- The committee shall be advisory to the Minister of Education and the Minister of Advanced Education.
- The committee shall concern itself with problems related to the standards for admission from Alberta high schools to provincial post-secondary educational institutions.
- The committee shall concern itself with provincial high school accreditation procedures.
- The committee shall have the authority to enact such bylaws as are necessary for the conduct of its business.

Organizations or individuals wishing to nominate a person to a place on this committee should send the name of the individual and supporting information to:

Dr. J. S. Hrabi,
Associate Deputy Minister, Alberta Education,
9th Floor, Executive Building,
10105 - 109 Street,
EDMONTON, Alberta
before April 30.

Locals from Legal

By Lucienne Montpetit

Margo Montpetit was elected as councillor on the executive of the FJA (Franco-phonie Jeunesse de l'Alberta). The other four members making up the provincial council are Agathe Gaulin, president; Guy Choquet, Bonnyville; Maurine Sullivan, St. Albert and Dolores Tailleux, Peace River.

Good luck to all of you with your new responsibility in encouraging and promoting the french speaking youth of our province.

The Club 60 Roses are working very hard lately to make a variety of articles for the bazaar to be held at their three day opening events of the club on May 3, 4, 5. Anyone wishing to contribute anything for this special event will be greatly appreciated. Any small good articles for the fish pond are also needed. With your

help and encouragement our Senior Citizens can realize a successful bazaar.

The Village employees have been working in full force in order to push the slushy snow to make all the streets passable. We appreciate all your efforts.

See you at Rec Fest, Friday, Saturday and Sunday, April 5, 6 and 7 in Morinville. Fun for the whole family.

Legal will have an Arts and Crafts display in the Rec Centre. If anyone has any arts and crafts for display please call Sharon Velich 598-2399.

Some 50 persons enjoyed the delicious breakfast prepared by the Knights of Columbus last Sunday. The ladies enjoyed their holiday.

Grand Knight Remi Cyr welcomed everyone, especially the honored guest Bishop Roy. Following the scrumptious meal the Bl-

shop addressed the gathering with well chosen words ending with an invitation to attend the retreat during the week.

Chef Paul Morin and his crew did a tremendous job in the organization of the breakfast. The ladies are grateful for the most pleasant Sunday morning away from the stove and dishpan.

Lending an ear in the kitchen as I passed by I heard some men comment "now we know what our wives are talking about, in the work involved in preparing a meal and the most annoying is washing all that -- dishes, "Quiet," said another, "our wives might hear you."

Sorry fellas the bird is out of the bag. Do it again very soon, it was really appreciated.

Mr. and Mrs. Denis Linoges and family enjoyed a short holiday with relatives in Falher.

A warm and hearty welcome back to our community to Mr. and Mrs. Andre Pelletier who have purchased Jos Nault's house.

Anyone wishing to attend the MFC Congress that will be held on April 17 in Plamondon should contact Mrs. Paul Clouthier before April 8th. Fees of \$6 should be paid in advance to Mrs. Art Morin or Mrs. Jos Nault.

Get well wishes are extended to Mr. Jos Kowalchuk who was injured in an accident last week. Mr. Kowalchuk is a patient at the Royal Alexandra Hospital.

M.F.C. women raise \$110

By Lucienne Montpetit

The monthly meeting of the MFC was held March 25 at the Rec. Centre.

The president gave a report on the Development and Peace project which realized some \$110 which will be given to the less fortunate. She thanked the ladies who organized and helped to make it successful.

The resolutions that are to

be presented at the congress were read and discussed. Only two members are allowed to vote on the resolutions at the Congress. Nominated were Mrs. Paul Clouthier and Lucienne Montpetit.

Nine ladies volunteered to serve coffee at the retreat. Mrs. Clouthier invited everyone to attend the annual Congress that will be held in Plamondon during the Easter

holiday. Two youths are also invited to participate as guests of the local association. Fees for the Congress are \$6 and have to be paid before April 8 to Mrs. Jos. Nault or Mrs. Art Morin.

The ladies divided into groups to discuss the theme of the month in the booklet Famille Chrétiennne. Father Blissett answered the questions during the question period in a very capable manner.

The president wished Happy Easter to everyone and said she was hoping to see a good number of them in Plamondon.

CWL News

The annual CWL meeting was held March 21 at the rectory.

It was decided to place a picture of Lady of God Council on the table at every meeting.

Jean Barry, Florence Quaghebeur and Madeline Cornelis extended the Diocesan executive meeting held at Thorild. Florence gave the members a summary of the meeting.

The CWL diocesan convention will be held at Almore, April 2.

Its that time of year when we must think of the less fortunate ones. Mary Kachowski, representative for Development and Peace made us all aware. A bake sale will be held at the Co-

op, March 30 for this project. A fruit basket will be raffied.

The CWL would like to thank all those who helped make the St. Patrick's bake sale such a success. The lucky winner for the cake was Mr. Red Krauskopf.

Members are reminded that membership fees are now due and should be paid by May 1st.

The book "All for Her" the story of the boyhood, vocation and priesthood of Father Patrick Peyton is now available for \$1.50. Anyone wishing to obtain it may write to - The Canadian Mass Media Mission, Rev. B. F. Heffernan, 2661 Kingston Rd., Scarborough, Ont. M1M 1M3.

Vimy

By Jeanne Laplante

A spaghetti dinner and parish get-together were held in conjunction with the Peace and Development campaigns in the province.

Kenzie, R.C., to visit relatives.

Welcome to Mr. and Mrs. Bob Burns and daughter Carol who have moved in our hamlet.

Sincere sympathies to the bereaved families upon the recent passing of Mr. A. Riopel.

Welcome to the annual CWL and Mouvement des Dames Chrétiennes annual Easter Cash Bingo to be held on Sunday, April 7 at the Community Centre. 15 games for \$2. Extra cards available.

Speedy recovery wishes to Mrs. Helen Joly.

Mr. and Mrs. Claude Huot and family motored to Mac-

Sturgeon 4H Report

A very enjoyable day of bowling was held on March 3 at the Odeon Bowling Alley, Edmonton, Alberta. Approximately 150 4H members were in attendance. Prizes were awarded to - Diane Bokenfohr, Kevin Boddez, Sherry Radke, Ronald Radke Lori Kullay and Phillip Whitson.

On March 17, 24 members gathered at the St. Albert Curling Rink to participate in a Bonspiel. Trophies were awarded to the first place team consisting of Chris Kluth, Brad Quewk, Susan Bowman and Ron Kish and the second place team, Dave Quewk, Kevin Boddez, Peter Michelson and Mary Ann Michelson.

On behalf of all the members who participated in these two activities, I would like to thank the leaders who were involved in making all the arrangements. A fun time was had by all.

"FOR THE GOOD TIMES"

ENTERTAINMENT FOR APRIL 5 AND 6 --
"TAVERN RAMBLERS"

Wild oats cost you plenty in wheat and barley.

Wild oats can cost you in wheat or barley—if left untreated. And less yield can mean less profits at harvest.

This spring, apply Avadex, BW herbicide by Monsanto. Avadex BW controls wild oats before they come up. You get early control of wild oats that rob moisture and nutrients from your barley or wheat. Avadex BW application flexibility lets you apply after seeding—you don't have to wait until wild oats come up.

When used as recommended, Avadex BW gives effective wild oat control—without crop injury.

Remember how bad wild oats were last year...be ready this year.

Apply Avadex BW in the Wild Oats Action Year. To help get a better yield of wheat or barley.

Monsanto Canada Ltd., Montreal, Quebec

Wild oats.
if you can't sell 'em,
why grow 'em?

Avadex. BW

Monsanto

*Trademark Monsanto Company

The Avadex BW label for proper usage and to receive the full benefits of this product, read the label and follow instructions carefully.

Remember...use Avadex BW in
The Wild Oats Action Year!

News from Gibbons

By Ron Coley

Gibbons Sunday School will re-open, after a winter recess, on Sunday, April 7, from 10 a.m. to 11 a.m. We hope to see all our old friends back and extend a special invitation to new citizens of Gibbons to attend. For further information phone Della Gibbons at 799-9140.

PYTHIAN SISTERS GLEANINGS

At a recent meeting of the Pythian Sisters of Jubilee Temple No. 16 at Gibbons, New officers were installed. Leola Spence was installing officer, with Muriel McCue and Jessie Miller performing the duties of Grand Excellent Senior and

Grand Manager. Officers installed for 1974 were: P.C. - Maxine Gorden; Excellent Senior - Eleanor Montpellier; Excellent Junior - Leola Spence; Manager - Clara Williams; Secretary - Ena Brydon; Treasurer - Hazel McLean; Protector - Connie Roberts; Guard - Lis Cosby; Pianist - Molly Hall; Trustee - Helen Milligan, Eleanor Montpellier and Leola Spence. Auditors - Ena Brydon, Clara Williams and Hazel Milligan. Altruistic chairman - Connie Roberts; Card Committee - Clara Williams; Hall Board Representative - Hazel McLean. Representative to Grand Sessions - Eleanor Montpellier; Alternate - Jessie Miller; Capt. of Degree Staff Hazel McLean; Leprosy Stamp Committee - Agnes Rippen; News Reporter - Clara Williams.

The financial report disclosed donations of flowers to sick members, Community Arena, Ass't to Senior Citizens Home, Winnifred Stewart Retarded Childrens

Home; Serving, Transportations, Layettes, Misc. gifts Red Cross, Polio Fund, Heart Fund, Cash donations to Grand and the Murry Legate Scholarship Fund.

Dist. No. 2 held its convention October 9, 1973 at the I.O.O.F. Hall in Edmonton under the chairmanship of D.D.G.C. Sharon Dunsworth. Yearly all of our membership attended. Sharon Dunsworth had painstakingly prepared many outstanding mementoes for her well supervised convention with attractive registration cards, nicely printed programs to follow, souvenirs etc.

The Law Committee appointed for the evening was P.S.R. Mevriel McCue, Grand Sec., Gertrude Johnson and P.G.C. Hazel McLean. Many questions had been placed in the question box for this committee to clarify, which they did to the satisfaction of all. Next Dist. No. 2 convention will be held in Gibbons. After the convention was over a hearty lunch was served to all with social hour before dispersing. Jubilee Temple had its 35th birthday, Feb. 24, but inclement weather prevented any means of celebration. But one thing outstanding is the meetings have been held all this time in the Gibbons Community Hall. Grand Sessions for 1974 will be held at Calgary, March 24 - 25 - 26, when several members from Dist. 2 expect to attend. Grand Chief Bea Selby of Regina, Sask., will preside over the meetings.

THE LAST ROUND-UP

Gibbons Senior Citizens held their regular meeting on March 28. There were 29 members present. Bingo was played followed by a short sing-song while lunch table was set. After lunch Eula Mabbutt read a thank you letter from Neil Parker, co-ordinator of Rec. Fest '74. There was also a letter from Sturgeon Regional Recreation Department outlining suggestions for two summer tours. They will be on the same idea as the 1973 Southern Alberta tour. This year they suggest the Mighty Peace Country (Alberta) and the scenic circle tour. (Northern Alberta and B.C.). Sheila Crosbie read a thank you card from the Rowsell family, and also advised that the Last Round-up is now a registered member of the Council on Aging. This membership allows them voting privileges. It has been left to the committee to select a voting member and an alternate.

A card for Mr. Brumfit, who celebrated his 101 birthday March 29, was passed around for everyone to sign. Eula Mabbutt advised that Gibbons Senior Citizens had been requested to do part of the catering for Rec. Fest '74 on Saturday, April 6. Cars will leave the Legion Hut at 10 a.m. and a bus at 11:30 a.m.

Gibbons and District have been asked to take and serve pies, cakes, donuts, etc. Next meeting will be held April 11.

Gibbons 4H Public Speaking

By Bev. Epp

Gibbons 4H Light Horse Club held their annual Public Speaking Contest March 24. Mr. Fred Lawson and Mr. John Koyko, both of the Toastmaster's Club in Edmonton, did the judging. Mr. Lawson has been in the club for six years and is a D.T.M., a Distinguished Toastmaster. Mr. Koyko has been in the club for seven years and is a Able Toastmaster. Mr. Hugh Lawson

took over the job as the official timekeeper.

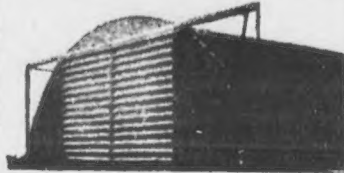

Mr. Koyko gave brief comments on the Junior section and handed the awards out for that section. In the Junior the winner was Tracy Hood; first runner-up was Maurie-Lynn Kozak and honourable mention went to Carol Salahub. In the Senior section Mr. Lawson gave brief comments and also had the pleasure of awarding the trophies. The winner was Pat Epp; first runner-up was Susan Bowman and honourable mention went to Sylvia Bowman.

Mr. Lawson gave brief comments on the general Public Speaking. His comments were both good and bad, but were very constructive to everyone. For the Public Speaking 18 out of 21 members showed up. Thanks are extended to all those who spoke and to the parents who came to listen and to Pat Epp for supplying the lunch.

Pat Epp attended the Senior Public Speaking at Namao March 25 and Tracy Hood attended the Junior Public Speaking at Alcomdale on March 29.
